

Business Leader Report - Business Activity 19

Select a Famous Leader from the [Academy of Achievement](#) website. Once you have selected the Business Leader, conduct research on that individual and write a one-page report about that leader. Be sure to use the [FBLA Format Guide](#) to see how to format your report. Think about covering topics such as early life, education, products they developed, and leadership skills they possess. Add your report below and be sure to upload your report to the BAA's online.
