

[CDFW updates Siskiyou supervisors on deer, elk plans](#) April 24, 2016 California

Siskiyou Daily News

... there are approximately 5,700 Roosevelt elk, 1,500 Rocky Mountain Elk, and 5,700 tule elk in California ... the deer plan is still in its early stages, a number of questions remain as to how deer will be managed in the state, and what population trends – and what is driving those trends ...
