

Unit 5 Getting Ready Quiz

1. Matching 2 points Types of Power

Please match the kind of power with the experience of power.

- Power Over
- Power With
- Power To
- Power Within

Possible answers:

- Black Lives Matter coordinates protests across racial and class lines.
- The government uses the national guard to enforce school integration.
- I am confident in my social identity and advocate for what I need.
- I can choose who I have sex with, or when or whether I have children.

2. Matching 3 points system of power

Please match the example of a historical or current law or policy and the system of power it supports.

- Patriarchy
- Colonialism
- Capitalism
- Heteropatriarchy
- White Supremacy
- Ableism

Possible answers:

- Only men can inherit property, particularly the first son.
- People who are blind or deaf go to residential schools, rather than getting services in their own communities.
- Where you can live is restricted by race - For example, house covenants make it illegal for People of Color to live there.
- Tax laws favor the wealthy, such as wealthy people can create trusts, which avoid death and inheritance taxes.
- Only opposite sex couples can get married.
- Only English can be taught in the classroom.

3. Multiple Choice 2 points systems of power

_____ are socially constructed beliefs, practices, and cultural norms that produce and normalize arrangements of power in social institutions.

- Systems of power
- Privileges
- Social locations
- Social identities

4. Multiple Choice 3 points interlocking systems of power

Symbolic annihilation and violence against third gender, transgender or non-binary people is a consequence of _____ reinforcing power inequalities.

- Colonialism and heteropatriarchy
- Sexism and ableism
- Capitalism and racism
- Patriarchy and classism
