

Essex Tech Student Activities

12/20/21 - 12/24/21

The 4:15PM late buses run on Mondays, Tuesdays, and Thursdays.

Make sure to sign up online for the 4:15PM late bus by 9:15AM.

There are no sign up sheets for clubs. All you have to do is sign up for the late bus and go to the meeting after school!

Monday 12/20/21:

-  **Hawk's Projections** will meet today after school in DMC. We will be brainstorming more short film ideas. There will also be snacks provided and new members are always welcome! We're looking for students who are interested in anything from watching movies to making them!
-  **The Literary Magazine Club** will meet every Monday after school in E-211. Email Ms. Maguire at dmaguire@essextech.net with any questions.
-  **Essex Tech Weightlifting Club** meets Monday and Thursday in the weight room from 2:30-4pm. Email Mr. Merrill with any questions at rmerrill@essextech.net
-  There will be a **Prepared Public Speaking (an FFA CDE)** meeting today after school in D205. (Note the day change.) Read here to find out what Prepared Public Speaking is about: [PPS information](#). Also click [here](#) for a list of meeting dates. All freshmen and agricultural students are invited to participate. If you have any questions, email Mrs. Kimani at jkimani@essextech.net

Essex Tech Student Activities

12/20/21 - 12/24/21

Friday 12/24/21:

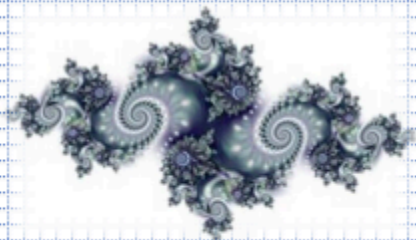

Upcoming/Other Events:

- We are looking for any student interested in testing their skills in a **Worldwide Mathematics and Modeling Contest**. They will have an opportunity to compete in teams of three to model real world questions to interesting problems and measure themselves against 15,000 teams from nations across the world.
 - We are accepting students from all grades and all levels.
 - Students need not be high level math students, we need creative problem solvers and people willing to take on a challenge.
 - Here is the MCM contest website: <https://www.comap.com/undergraduate/contests/mcm/>
 - See below for the poster with dates, times, and location!
 - If you have any questions, email Mr. Rodericks at mrodericks@essextech.net
