MESSAGING COURTESIES

This etiquette form is provided in case you aren't a close friend or acquaintance on Discord or other social media. It's to help me more easily get to your message amongst bot messages and spam.

- A half-body

- A full-body

→ (e.x) *Hello! I am interested in getting a commission from you! I would like a half-body illustration of my character.*

Any extra details can be added to your message, or you can wait for my response.
