

The Club at Foxridge kicked off the 4th of July with our annual festive bike parade—a red, white, and blue tradition that brings the whole community together!

The celebration continued with a full day of fun at the pool, featuring member favorites like the soda can and coin toss dives, watermelon relays, t-shirt & raft races, and a free hot dog & chips lunch!

We wrapped it all up with an epic belly flop and cannonball contest—judged by the cheers of an awesome crowd!

It was a beautiful day filled with sunshine, smiles, and summer spirit. Huge thanks to everyone who helped organize and volunteer for this incredible event—and to our amazing members for showing up and making it unforgettable!
