2025 Wabasha County 4-H FairEntry and Animal ID Information

It is time again to register your 4-H projects for the Wabasha County Fair! FairEntry Registration is now open through June 30th! Families are required to register their 4-H exhibits in FairEntry to exhibit with full privileges. You can login with your existing 4-H Online username and password.

Livestock projects needed to be entered in 4-H Online (by May 15th) prior to registering them in FairEntry. If you missed this deadline, please reach out to the Extension office as soon as possible.

We are looking forward to project judging at the 2025 Wabasha County Fair July 29th - August 2nd! The 4-H Fair Schedule can be found in the Premium Book linked below.

Please review the below information prior to registering:

If you are showing Livestock Exhibits:
- Remember that your animals needed to be ID'ed on 4-H Online 2.0 by 11:59 p.m. on May 15th.
- When registering animal exhibits in FairEntry it will ask you to connect an animal to the respective class...make sure you have entered your animals in 4-H Online prior to registering in FairEntry. The Wabasha County 4-H Premium Book will be helpful for this part.
- If you are unsure which of your immediate family members will be exhibiting which animal please enter them as closely as you think and we can adjust when they are checked in at the fair.

If you are exhibiting General projects:
- There are no processes in 4-H Online to complete other than making sure you are re-enrolled.
- Judging is scheduled for Tuesday, July 29th at the Wabasha County Fairgrounds ***except:***
  - Demonstrations will be judged Saturday, July 19th starting at 9:00 am
  - Performing Arts will be judged Saturday, July 19th starting at 1:00 pm
  - Fashion Revue will be judged Saturday, July 19th at 5:00 pm
  - Livestock Demonstrations will be judged Wednesday, July 30th starting at 1:00 pm
- Please register for any projects you believe your child may exhibit at the county fair. There is no penalty for registering for projects you do not bring.

Remember: If you forget to enter a project in [FairEntry](#) you have until June 30th to add it. You will not have to wait for your entries to be approved.
