

**1 EXT. THE FIRE NATION FISHING TOWN & THE DIRTY WATER - DAY 1**

This episode and scene open with The New Nautilus ship, the entire large gang, and the crew who is on board the ship, vlogging the way down the course of the sludge-infested river Jang Hui in the Fire Nation. Aang, Rip, and Momo are frolicking in the putrescent water.

AANG

Momo!  
(Dives into the water.)

Oh, Momo!

(Dives again and Momo  
flies to Aang.)

Hahahahaha! You found me, buddy!

(Looks down at the water  
in)

distaste and airbends up onboard the futuristic ship, where he stands dripping in sludge.) Hey guys, I think this river's polluted.

(Airbends mud off himself,  
Rip shakes himself the mud  
off like a dog,  
splattering the rest of  
Team Avatar and most of  
the members from The  
Superheroic Alliance with  
mud, which causes them to  
cry out in disgust.)

Oh, sorry guys!

TOPH

(Tastes mud on her mouth,  
and spits.)

Pah! Plegh!

(Aang airbends again,  
James blowing the rest of  
the alliance with his  
super-strong wind mix with  
the wind-powered  
projection of Danny  
Phantom Vortex mud back  
into the river and messing

up their clothing.)  
Thanks, guys!

SOKKA

Well, that explains why I can't  
catch a fish around here, because  
normally my fishing skills are off  
the hook!

2.

(Holds up a fishing hook.)  
Get it? Like a fishing hook?  
(Counteri  
Huh! ng.)  
(Grinning  
.)

TOPH  
Too bad your skills aren't on the  
hook.

Toph, Aang, Katara, James J, and some of the other members  
laugh as Sokka makes a disgruntled face.

APRIL O'NEIL

It looks like we'll need to go  
somewhere else to get food even mix  
it up with some of the food we have  
in storage.

KATARA

Well, yeah,  
(Unrolls a long scroll in  
front of her and April.)  
assuming that'll fit into Sokka's  
master schedule.

SOKKA

Hmmm ... It's doable. But that means  
only two potty breaks today and  
along with the other potty breaks in  
the ship's public restroom.

RIP

Hey, guys, maybe we can get food  
there!  
(Points at a village in

the middle of the river.)  
Maybe they have some food that we  
can use to make our meals as long we  
can wash them before we cook them  
and eat them.

## **2 EXT. LOOKING THROUGH THE VILLAGE & DOING SOME SHOPPING? - DAY 2**

The camera zooms to the village and fades to the New Nautilus ship as Aang and James activate the ship's holographic camouflage program and hides the ship, Appa, and Momo.

AANG

Now you're hiding inside the ship  
that looks just like a little hill  
with bright holes! Bye, buddy!

3.

Appa groans as Momo briefly reveals himself under some more grass nearby. The scene changes to the Jang Hui River, while Toph, Katara, Aang, Sokka, Rip, Susan, and some of the other heroes who are still in disguises approach the river.

TOPH

Well, I don't feel anything but  
thanks to this Star Trek VISOR, I  
can see where is the village?

(Pointing at the village.)

It's in the middle of the river,  
right?

The camera pans down to show a man standing on a ferry.

DOCK

Sure is! My name's Dock. Mind if I  
ask who you are?

DR. HERBERT COCKROACH, PH.D

Well, we are from the, huh ...

KATARA

Yeah, We're um ... from the Earth  
Kingdom colonies.

DOCK

Wow ... Colonials. Hop on, I give  
you a ride in the town.

The scene changes to the river, while Dock paddles the boat

across.

KATARA

Why do you guys live on the river,  
(Looking at the village.)  
By the way?

DOCK

(Turns his paddle to the  
right)  
side, pointing at the Fire Nation  
factory.) Because we're a fishing  
town. At least that's how it was  
before the factory moved in.  
(Closer shot of the Fire  
Nation factory and pans  
down.)  
Army makes their metal there. Moved  
in a few years ago and started  
gunking up our river.  
(Shot changes back to the  
ferry. Aang and Katara (in  
her busty type of body)

4.

glance sadly at each  
other.)  
Now our little village is struggling  
to survive.

SQWEEP

Wow, that must be hard for you  
people.

DR. COCKROACH

This place almost reminds us of our  
world are also struggles to survive  
as well.

KATARA

That must of hard for you guys from  
your kind of dimension.

The camera pans downs to the villagers, showing their  
conditions of the starving and poor villagers. Team Avatar  
and The Short Group from The Superheroic Alliance get off the  
ferry boat.

AANG

Thanks for the ride!

(Waves his hand to Dock,  
who waves back.)

Wow, I'm sorry about what's  
happening to your people from your  
world.

RIP HUNTER

It's okay! I just learned to go  
through it and not to get involved  
with them.

KATARA

(Cut to three villagers  
sitting on a porch.)

Look at this place.

(Cut to two other  
villagers, an old man, and  
a young boy.)

It's so sad.

LINA "SUSAN MURPHY" BENJAMEN / GINORMICA

Yep, it reminds me of Africa and  
some other countries from earth 1  
and it's very tragic for them.

KATARA

Wow, that's so sad to know about  
them.

5.

(Cut back to Katara  
looking down.)

We have to do something to help.

SOKKA

No, we can't waste our time here. We  
have a bigger mission that we need  
to stay focused on. These people are  
on their own.

APRIL

(Chases Sokka and grabs  
his shoulder with Katara.)

These people are starving! But you'd  
turn your back on them?

KATARA

(Puts her hands on her

hips with April.)  
How can you be so cold and  
heartless?

SOKKA

(Shot changes to show  
their argument from the  
river as a barrel bobs up  
and down.)

I'm not turning my back, I'm just  
being realistic. We can't go around  
helping every rinky-dink town we  
wander into. We'll be helping them  
all by taking out the Fire Lord.

(Rip, some of the other  
heroes who are with them,  
and Aang guides Toph  
toward the arguing  
siblings. Leatherhead  
slaps Sokka on the back of  
his head with his tail.)

I don't like it when you guys keep  
slapping me like that.

LEATHERHEAD

Well, you need to learn not to focus  
on helping them out with Ozai.

TOPH

Thank you, Leatherhead!

(Covering Sokka's mouth  
with her hand.)

Hey, loud-mouth! Maybe we should be  
a little quieter when we talk about  
"taking out the Fire Lord."

6.

SOKKA

Come on, Katara, be reasonable about  
this. You know our mission has to  
come first.

KATARA

(Reluctantly.)

I guess so.

(Looks annoyed.)

Rip is right about you.

RIP HUNTER PARADOX

Let's just get what we need and go.  
(Smiling to Katara with  
Aang, who smiles back.)  
Plus we can have some food from the  
cafeteria that I created when I was  
in high school during my time in  
Durham Ferry.

Cut to an aerial view of the village. The shot changes to  
show the counter of an outdoor market stall. As Team Avatar  
and The Superheroic Alliance walk up to it, they notice a man  
who looks like Dock, but wearing a different hat, bowed  
behind the counter.

SOKKA

Hey, Dock. You work here too?

XU

I'm not Dock. I'm Xu! Dock's my  
brother.

THE MISSING LINK

(In his human disguise.)  
Excuse me!

Team Avatar and Part of The Superheroic Alliance look  
confused.

JAMES

Yeah, but we just saw you. You're  
even wearing the same clothes.  
(Close-up of his hat.)  
The only difference is your hat.

XU

(The camera zooms out to  
Xu talking.)  
Dock works on the docks. That's why  
we call him, "Dock", and I work in  
the shop, that's why they call me,  
"Xu"!

7.

AANG

I don't get it.

XU

Me neither.

(Jumps down behind the  
counter and)  
pulls out a crate filled with rancid  
gray seafood.) What I can getcha?

(Katara, Aang, Rip,  
B.O.B., Link,)  
Sta'abi, Covertton, Susan, Sqweep,  
Leatherhead, Mona Lisa, and Sokka  
look disgusted.) Hey, I'll give you  
a special deal. If you buy three  
fish, I'll give you a clam for free.

(Sokka pushes a clam, and  
mucus splashes out from  
it.)

So what do some of you people think?

Aang, Katara, Rip, and some of the other heroes all recoil,  
muttering in disgust.

SOKKA

(Picks up three fish.  
Carefully.)  
We'll just take the fish.  
(Xu takes the fish.)  
Mind telling your brother we need a  
ride back to shore  
(Xu jumps down behind the  
counter and jumps up  
wearing Dock's hat.)  
so we can enjoy our fish?

DOCK

Hey, colonials! My brother says you  
need a lift.

(Jumps over the counter,  
and walks to the dock.)  
But don't worry about your fish, my  
brother will deliver you some more  
fish when he gets to shore as also  
part of his special deal with me  
deliver it for him.

Team Avatar and The Superheroic Alliance follow Dock to the  
dock. A little boy stops Katara and James.

LITTLE BOY

Can you spare some food?

(Touched.)

I wish I could help more.

JAMES J

(Touched.)

I wish I could do the same too, kid.

(Katara gives the boy a fish, and he gives the boy the McDonald's Triple Cheeseburger, Disney's Oogie Boogie Sundae, Baskin Robbin's Halloween Flavor sundae, Nature Valley's Granola Bars, and bottled water in big bottles at the same time and brings them to the boy's sick mother by snapping his fingers like how the Genie does it, and the boy bows to her and leaves to give the fish to his sick mother.)

I hope that we can think of something to help these people with their problems. I know it because I was in the homeless shelter helping the homeless and getting the scraps as a part of meals.

### **3 EXT. MAKING DECISIONS ON SOKKA'S SCHEDULE - NIGHT 3**

Fade to nighttime, just as the camera shows an aerial view of Team Avatar's and The Superheroic Alliance's camp. Shot changes to show a barrel of polluted water. Aang, Lina, and Rip lift the water with waterbending, and Toph, The Avatar Monster, Puma Loco, Jenny Wakeman, Spongebob Squarepants, Chloe Carmicheal, and Team Grim Reaper separate the pollutants from the water with earthbending and what power that they can come up with. Aang, James, and Susan pass the water to Katara, who boils it in a crock.

SOKKA

Our detour into town today has  
completely thrown off our schedule.  
It's gonna take some serious  
finagling to get us back on track.

TOPH

(Sarcastically.)  
Finagle away, oh schedule master.

JAMES JUROVICH

9.

(Sarcastically.)  
Yeah, you want to run that by me and  
us again, oh great schedule keeper?

SOKKA

Well, for starters, it looks like  
we'll need to wake up forty-three  
minutes earlier every day.

MANDY / THE GIGANTIC GOTHIC SORCERESS  
Forty-three minutes?

KATARA

We all need sleep.  
(Points to Mandy.)  
Not even Mandy can't even wake that  
early.

SOKKA

(Pointing to various spots  
on his schedule.)  
Look, we only have a few weeks to  
get to the Fire Lord in time for the  
invasion and the eclipse, which, by  
the way, only lasts for eight  
minutes. And we just lost a whole  
day. So if we want to make up the  
time and stay on schedule, we have  
to wake up early!

SOBEK'S SUPER WARRIOR SERVANT  
Well, I'm not waking up early.

TOPH

Same for me.

SOKKA

Or we could just cut out all of our  
eating breaks.

MANDY

What?

SUPER GRIM REAPER, KITTY,  
DUDLEY, & FRIDA

No way!  
AANG & RIP

KATARA, GRIM, BILLY &  
Forget it!

REDULSO RIVERA / WHITE PANTERA  
You want us to be hungry like that?

SOKKA

10.

(Gets a sly look on his  
face.)  
I got it, how's this from now on,  
we'll take food breaks and potty  
breaks at the same time.

Katara, Toph, Aang, Rip, Sobek's Warrior Servant, the Kudley  
couple, Team Grim Reaper, and the rest of The Superheroic  
Alliance express their disgust at this idea with Aang and Rip  
doing a spit take.

SOKKA  
Hey, it might be gross, but it's  
efficient. Either way, we have to  
leave here first thing tomorrow  
morning.

Close-up of Katara's face, who looks distraught at Sokka's  
words.

THE MISSING LINK  
(To Katara.)  
Don't you think your brother is out  
of his mind for thinking like that?

KATARA  
(To Link.)  
Yeah, I know he's out of his mind  
when it comes to his so-called ...

(Make her air quotes over  
Sokka's words.)  
... Mastered Schedule.

THE MISSING LINK

Hmmm, yeah, true.  
(To Mecha-Insectosaurus.)  
Don't you think, Sokka's like that  
metal-furball?

Mecha-Insectosaurus screeches in the same agreement as Link.

**4 EXT. APPA'S MYSTERY SICKNESS & THE VILLAGE'S SPIRIT - DAY 4**

Cut to an aerial view of the village the following morning  
and cut to the campsite. Appa lies on his side aside of The  
New Nautilus entrance, groaning, while Katara ministers to  
him.

JUROVICH AANG

Katara?  
JAMES PHILIP

What's the matter?

11.

KATARA

I think Appa's sick.

SOKKA

(Panicking.)  
What? Appa's sick? That's awful!

GRIM REAPER / THE SUPER MACHO GRIM REAPER

Wow, Sokka, I didn't realize you  
cared so much.

SOKKA

Of course, I care. I might as well  
just throw our schedule away now.

LINA BENJAMEN

(Annoyed.)  
Enough of your schedule already,  
it's getting old and annoying.

SOKKA

(Pulls out his schedule.

He stops and looks at the entire large group. Cut to a shot of the rest of the gang and the alliance giving him the evil eye, and he quickly changes his tone, rushing solicitously to Appa's side.)

And I'm concerned because my big, furry friend doesn't feel well.

MANDY

(Relief.)

That's better!

BILLY / SUPER CRAZY MYSTERY AVENGER

He must have gotten sick from being in the polluted water.

AANG

He doesn't look sick. You okay, buddy?

(Appa groans and Aang pulls out Appa's purple tongue.)

His tongue is purple! That can't be good. Katara, can you heal him?

AUTOBOT ULTIMO

(Using his Terminator Analyzer to scan on Appa's purple tongue.)

12.

I have seen this before but I'll tell you later about it.

AANG

Okay, that's good to know.

KATARA

It looks like he needs some medicine. Maybe we can find the right herbs in town.

Momo arrives and attempts to lick Appa's tongue before being pulled off by Sokka. Cut to the village, which is bustling and lively. One villager pole vaults from one house to another.

COVERTON

Is it just me, or does this place  
seem different?

AANG & RIP

Yeah, are the people ... happier?

The little boy from the previous day runs by, bouncing a ball, and Katara and April smile to themselves. The kids walk up to Xu/Dock's market.

SOKKA, LINK, SORA, DONALD & GOOFY

Hey, Xu, what's going on with  
everyone today?

XU

(Drinks from a ladle.)

Ah, something amazing happened last night. Food was delivered to our village by a mysterious and wonderful person ... the Painted Lady.

KATARA

The Painted who now?

ULTIMO

Who's she?

XU

The Painted Lady.

(He places a miniature  
statuette of the spirit  
down on the counter.)

She's part of our town's lore. They say she's a river spirit who watches over our town in times of need. I

13.

always thought she was just a legend. Until now.

DONALD DUCK

See, we don't need to help these people, they already have someone to help them.

SOKKA

All we need is medicine for our sick friend.

XU

Medicine? Sorry, all the medicine we have goes to the factory. That's why there are so many sick people in our village.

GOOFY

That's must have been very hard for you guys.

KATARA

Looks like we need to stay another night so Appa can rest.

SOKKA

(Sighs.)

I guess you're right. You, got any more food to sell?

XU

(Goes under the counter and)

emerges holding a fish in each hand.) Would you like the one-headed fish or the two-headed fish?

(He turns the fish on the left sideways to show the second head.)

I am sure some of you guys can handle either of them.

SOKKA

(Ponders.)

Two-headed!

(The rest of the group lowers)

their heads and small sweat drops appear.) What? You get more for your money that way!

(Holds up the polluted fish.)

14.

Plus it'll be good for James' version of his fish sticks with tartar sauce.

The rest of the large group gets even bigger exaggerated sweat drops as they express their disgust and run away from Sokka who follows behind with the polluted fish.

## **5 EXT./INT. THE REVEAL AND THE HEALING - NIGHT 5**

Fade to the village, late that night. A figure resembling the Painted Lady glides over the water on a carpet of fog and enters the village. She steps into a hut where several people are sleeping on the floor, and bends over each of them in turn, healing them with a blue glow. Her last patient is the mother of the little boy seen earlier, her son sleeping at her side. He wakes as the Painted Lady turns to go and silently follows her out the door.

LITTLE BOY

Thank you, Painted Lady.

The lady stops and nods her head before disappearing into the water.

## **6 EXT. MORE SHOPPING, IRRITATION, AND PROBLEM-SOLVING - DAY 6**

Cut to the village, the next day. Dock polishes his figurine with a rag as Sokka and James step up to the counter.

Hi, Dock. A.R.H.P.

SOKKA

Is Xu around?

DOCK/XU

Let me check ...

(He runs around the  
shop and ducks beneath  
the  
counter to switch hats.)

Hey there! Back again, are ya?

TOPH

(Pushes Sokka away.)

We need more food.

(Slams the money on the  
counter with some help  
from Renet Tilley at  
different times.)

Our friend is still sick and we  
can't leave until he's better.

Xu obligingly presents them with a platter of polluted clams. The camera pans in on the clams. Sokka comically slides in behind them and gives a silent chuckle along with the comical-annoyed symbol on his forehead. It appears he has an idea brewing.

XU

Oh, well, that's too bad. Maybe if you guys are lucky, the Painted Lady will visit you in the night, and heal your friend.

SOKKA

(Picks up the clams.

Sarcastically.)

And maybe she'll cook us a midnight snack, and we'll all have a sing along. (Rip slaps

Sokka from the back of his head then slaps him on top of his head in The Three Stooges style.)

I still don't like it when you keep hitting me like that.

XU

(Not getting the sarcasm.

Sokka looks annoyed now.)

Yeah, maybe! You know, last night she visited us again. Healed most of our sick folks.

LEONARDO

Is that why this place seems so festive?

AANG

And this place always has hope and positive all the time?

The villagers raise a large statue of the Painted Lady in the town square, everyone cheers, and applause.

DOCK

Yep, it's all because of the Painted Lady.

KATARA

Can you believe how much an entire village can be affected by one lady I mean ... spirit?

MANDY

16.

Sounds like that Painted Lady spirit is really doing some good work for this village.

SOKKA

Well, I hope she returns every night. Otherwise, this place would go right back to the way it was.

KATARA

(Gets annoyed.)

Why would you say that? Look how much better off these people are.

SOKKA

Yeah, now, but without her, they wouldn't be able to fend for themselves. If she really wanted to help, she would use her spirit magic to blow up that factory.

(He makes mocking gestures to indicate explosive spirit magic. He crosses his arms with a smile. Katara gets even more annoyed. The screen pans to the right to show Aang who has his arms crossed not impressed.)

Unlike what James could do with some of his tricks and magic of his own.

AANG

Spirit magic doesn't work that way, Sokka. It's more like ...

(He waves his body with arms in the air making similar gestures to indicate spirit magic.)

But James could do it better than me

and Sokka could.

JAMES J

Yeah, here's what the spirit magic works ...

(He morphs himself and his arms)

like acts like a real monstrous spirit with tentacles mix with the alien from The Thing

(Original and Prequal at the same time. Katara storms away from the two.)

Try to beat that my friends?

17.

SOKKA, AANG, AND JAMES

(Sokka wraps and arm over Aang's shoulder and the two combined their little imitation but far more ridiculous.)

Woooooooooooo ...

(Sokka chuckles.)

How would you think about all of this, guys?

Cut to Katara on the edge of a dock looking out toward the factory as The Grim Reaper places his skeleton hand on Katara's left shoulder to support Katara and her decision. While the music of The Decision from Mulan 1998 version in the background. Cut to Katara is sitting in her room inside the New Nautilus. It is quiet. Through the window of her house, she can see her mother's picture and necklace. James picks up his Devil's Triton lantern and blows it out. Katara thinks for a minute, then makes her decision. Katara walks into Katara's memorial chamber and lights a stick, placing it in a hanging statue of a gargoyle. The Insect-bot that looks like a cricket arrives in the background then bounces from the memorial stand of Kya to the statue, to the ground then runs to where Rip is sleeping in his Ghost Rider sleeping bag next to Appa.

## **7 EXT. THE PAINTED LADY'S SECRET ID REVEALED - NIGHT 7**

Cut to Katara runs to the campsite, that night. Katara slips out of her sleeping bag and stuffs dried grass into it to

disguise her absence. She dons a makeshift Painted Lady costume, wrapping a ragged gown around her. Taking Rip's little sword key to the power access possession station then cuts to Katara bends the water to gain more of the spirit world energy and puts on the spirit witch monster helper's kit with Transformers energy then she bends the water to make a mirror even it's mixed with the changing room also inside the new nautilus ship so she can apply the markings. She puts on a wide conical hat similar to the Painted Lady's, but with a diaphanous white veil covering her face. She glides away toward the village, but not quietly enough; she wakes Momo, and he wakes Aang, Susan, and James by jumping on them.

AANG

What's the matter, buddy?

(Katara leaves Team Avatar  
and the Superheroic  
Alliance all 3 different  
season groups.)

James do you think?

RIP

18.

Yeah, it's her!

AANG & RIP

(Excited, wave their hands  
to Katara, and Aang puts  
on his headband and James  
puts on his Jafar hat and  
Jafar's Snake staff as  
Iago flies onto Rip's  
shoulders as he wanted to  
come along and those two.)

Hello, Painted Lady Spirit!

Katara shocked, quickly flees from Aang, Lina, and James J. Meanwhile, Aang uses his airbending, Ultimo uses his Wizardry Genie Magician tricks mix Flash Quicksilver Dash Dracula superspeed, and Ginormica uses her same tricks as James as well to accelerate their run. The camera moves to a hill as Katara climbs up and continues as Aang and Ultimo easily keep up.

AANG

(Jumps up the hill with  
his Immortal friend.)

Excuse me, both James and I don't mean to bother you, but my friend's sick and we're on kind of a tight schedule.

(Those two continue to follow her down the hill as she crosses the river.)

Wait! But I'm a great bridge between your world and mine and so does James!

AUTOBOT ULTIMO

(Aang freezes some water to form stepping stones to cross the river and James and Lina uses their Jesus Christ walking on water trick also to cross the river.)

Yeah, I want to make sure that you might help us out in time.

AANG

I know Hei Bai! We're close personal friends!

SUPER GHOST RIDER

Yeah, he helped us out every time we need his help and always very helpful.

19.

AANG

(Katara moves faster, and Aang and James jump on a wooden bridge, and Super Ghost Rider and Lina teleport themselves to the nearest roof with Aang. Katara runs out of the river onto the docks and notices Aang's reflection, Susan's reflection, and James' reflection in the trick from Kung Fu Panda as Monkey's way to run and follows Aang in the water. She looks up and sees

Aang, Lina, and Rip (as  
Monkey from Kung Fu Panda  
way of running) running  
across a roof.)

Heeey! (Those three suddenly hits  
a pole, Katara flinches  
and feels sorry for him  
but continues across the  
river to the other side  
then grows bigger and  
taller to 19 feet tall.  
She stops to look out at  
the village thinking she  
is safe but Aang, Lina  
Benjamin, and Rip drop in  
front of her.)

My name's Aang. I'm the Avatar. (Lifts his headband  
and  
points at)  
his arrow then points to James as  
his introduction to Katara.) This is  
Rip. He's the Immortal Avatar. (James lifts his Jafar  
hat

and he points at his  
Horned King Maleficent  
Horns then points to Lina  
"Susan Murphy"  
Benjamin/Ginormica.)  
And this other one is Immortal  
Avatar's girlfriend Lina.

KATARA

(Using a disguised voice  
as The)

Silver Banshee from Ireland as from  
Disney's Gargoyles and voiced by  
Sheena Easton.) Well, hello Avatar

20.

and Immortal Avatar couple. I wish I  
could talk, but I am very busy.

AANG

Yeah, same for me and James. James  
and I hate that.

(Looks at Katara's face  
from behind the veil.)  
You know, you're a really pretty  
spirit. Both of us don't meet too  
many spirits, but the ones we do  
meet, not very attractive.

(Looks at Katara  
suspiciously. Tries to  
look under the hat with  
James.)  
Is that right, James!

S.G.R.  
Yeah, even when we met Koh for the  
first time.

KATARA  
(Giggles nervously.)  
Thank you, but

JAMES  
You seem familiar too.

KATARA  
A lot of people say that.

AANG  
(Suspicious.)  
No, you really seem familiar.

KATARA  
Look, I really should get going.  
(Covers her face and runs,  
but Aang uses his  
airbending, and James his  
Harry Potter magic through  
his Jafar snake staff, and  
Susan's Turbo Thunder's  
Thunderclap, and blasts  
her hat up into the air,  
exposing her.)

Eeeee!

KATARA  
  
Katara?  
AANG & RIP

(Guiltily while looking  
down at James and Aang as  
larger amazon- sized teenage-girl.)

Hi, Aang. Hi, James. Hi, Iago. Hi,  
Lina.

AANG

(Shocked.)

You're the Painted Lady?

(Pointing at Katara.)

But how?

RIP HUNTER

And why are you dressed up as a very  
attractive lady spirit?

LINA BENJAMEN

That's very interesting for you to  
wear that and I was thinking about  
that with my lover boy.

KATARA

I wasn't her at first, I was just  
trying to help the village.

(Takes her hat off.)

But since everyone thought that's  
who I was anyway, I guess I just  
kinda became her.

(Drops her hat on the  
ground.)

Even when I used Rip's sword key to  
make me like her for sure.

AANG

So you've been sneaking out at  
night?

A.R.H.P.

And you've been using my smaller  
Mulan sword key to activate the  
possession station to gain access  
and using my Autobot Spirit Witch  
Monster Helper's kit to make all of  
this possible?

AANG

Wait, is Appa even sick?

KATARA

He might be sick of the purple  
berries I've been feeding him, but  
other than that he's fine!

22.

IAGO

Where did you even get those purple  
berries anyway?

KATARA

You don't need to know about them.

AANG

I can't believe you lied to  
everyone, so you could help these  
people.

RIP HUNTER PARADOX

That's what The President of the  
United States would of thnk of to  
help the poor people, unlike these  
people.

KATARA

I'm sorry, I know I shouldn't have  
...

AANG

(Happily.)

No, I think it's great!

ULTIMO

(Happily.)

You're like a secret hero! Like some  
of the other heroes that you will  
meet on your own.

KATARA

Well, if the three of you wanna  
help, there's one more thing I have  
to do.

Aang and James give her a curious look.

**8 EXT./INT. THE DESTRUCTION OF THE METAL FACTORY - NIGHT 8**

Cut to the Fire Nation factory. Aang, James, Susan, and

Katara run along the river's edge toward it. Aang looks at the polluted water.

AANG & RIP

You wanna destroy this factory?

KATARA

Yes. Sokka was just kidding, but he was right. Getting rid of this factory is the only way to help these people permanently.

23.

RIP

Well, Sokka may be joking about this but he has really good ideas when it comes to this.

(Brings the League of)  
(Extraordinary Gentlemen  
Skinner's bombs out of his  
back transformers style  
for The Fire Nation and  
set it up for 20 seconds.)

If you guys are going to destroy this factory, you might need my Transformers League of Extraordinary Gentlemen bombs and place them to where the furnace is.

KATARA

Good thinking James!

Aang, Rip Hunter, Lina "Susan Murphy" Benjamin/Ginormica, and Katara enter and move to different sides of the factory. Katara uses waterbending and Lina uses her Ax to cut the metal hooks that hang barrels of magma. James uses his Magneto's Telekinetic Magnet abilities to turn the barrels just as Aang, with protective gloves on, overturns bigger hanging barrels, smiling at his work. Aang, Ginormica, and Rip Hunter uses earthbending to break apart the pipe system in the factory and place the bombs on all that melted metal. Katara bends a huge wave of water through the windows and floods the factory but the bombs because they are waterproof. The scene cuts to outside as the factory explodes from within and muck stops flowing from the pipes.

Cut to Aang, Rip Hunter Paradox, Susan Murphy, and Katara walking back to their campsite. Aang, Lina, and James laugh and make explosion noises.

KATARA

Shhh!  
(Quietly.)

We don't wanna wake Sokka.

(She turns and sees that Sokka, some of the other heroes who are with the campsite, and Toph are awake.)

Hi, Sokka, we were just out on a morning walk!

SOKKA AND MANDY

24.

(Angrily and disappointed.)

Oh, really, A morning walk?

(Dumps the hay out of Katara's sleeping bag.)

I know you're the Painted Lady, I know you've been sneaking out at night, and I know you've been lying about Appa and been feeding him

(Sticks out his own tongue.)

purpleising-tongue berries!

(Toph sticks out her tongue and shows that it is purple and holds up a bag of berries which Momo starts eating.)

Katara, what you did put our whole mission in jeopardy. We're leaving right now!

Katara walks past Sokka sadly. Sokka confronts Aang, James, and Lina as he follows.

SOKKA

And how long did you three know about this?

AANG

(Defensively.)  
Hey, We've just found out this  
morning!

Aang sprints away with airbending.

JAMES  
Yeah!  
(To Lina.)  
Let's go, sweetie pie. We need to  
relax our problems back to the ship  
from this pain of our asses.

James and his loving big and busty girlfriend also sprint  
away with their mystical powers. The scene changes to the  
Fire Nation factory where a man can be seen coming out of the  
smoke and looking angrily toward the town. Cut to Team Avatar  
and the Superheroic Alliance packing, but they pause when  
they hear buzzing. The factory workers are shown headed for  
the town on jet skis. Cut to the entire large gang on a cliff  
looking down at the river below.

TOPH & B.O.B.  
(Approaching and kneeling  
with some of the others.)

25.

What's going on?

THE GRIM REAPER / THE SUPER MACHO GRIM  
REAPER  
Fire Nation soldiers are heading  
toward the village!

SOKKA  
(To Katara.)  
What did you do?

KATARA  
I kind of destroyed their factory.

MANDY  
(To Katara.)  
You what?

KATARA  
(Defensively. To Mandy.)  
It was Sokka's idea!

SOKKA

I was joking! I also said to use  
spirit magic and made funny noises!

(Slaps his forehead.)

Did you even think this through? The  
army is gonna blame the villagers!  
They're headed there right now to  
get revenge!

KATARA

Well, what was I supposed to do?

SOKKA

Leave! Do nothing!

KATARA

(Angrily.)

No, I will never, ever turn my back  
on people who need me!

APRIL

(Angrily.)

Me either!

KATARA

(Gets up.)

I'm going down to that village, and  
April and I am gonna do whatever we  
can.

As Katara and April O'Neil walks away, Sokka and Donatello  
stop her by putting his hand on her shoulder separately.

26.

SOKKA

Wait! I'm coming, too. And the  
Entire Superheroic Alliance can help  
us out.

KATARA

I thought you didn't want to help.

SOKKA

You need me, and I will never turn  
my back on you not even if some  
other heroes from James' alliance  
can choose who's on the right side.

KATARA

Sokka, you really do have a heart.

(The two hug. Whispering  
to James and Lina.)  
Thank you for your help straiten  
Sokka out!

James and Lina Benjamin gives Katara a thumbs up for helping  
Katara out with her own brother.

AANG  
(Wiping away tears.)  
He really does have a heart, doesn't  
he?

Aang turns to Toph for confirmation. Toph, however, elbows  
him and he falls off-camera with a thump.

A.R.H.P.  
Thank you, Toph!

Cut to the Fire Nation soldiers on jet skis.

#### **10 EXT. THE BIG HELP BETWEEN MUNG AND THE VILLAGE - DAY 10**

Cut to Team Avatar and the Superheroic Alliance looking at  
the village. Cut to Mung and his soldiers standing on the  
dock.

MUNG  
I thought we could live as  
neighbors, in peace. But I guess I  
was wrong. You steal our food, our  
medicine ... and then you destroy  
our factory.

DOCK/XU  
(Pops out of the crowd  
wearing his Dock hat.)

27.

We didn't do any of that.  
(Pops out in a different  
place wearing his Xu hat.)  
Yeah, the Painted Lady brought us  
food. She's the one that healed our  
sick, not your medicine.

MUNG  
(Holding a statuette.)

Oh, right, the mysterious Painted Lady did it. And I suppose she drew the army emblem on your containers, too. (Throws the statuette at the container, smashing it. The crowd gasps.) This is a town of thieves and liars! (Firebends a blast at a house. Mockingly.) Where's your Painted Lady now? We're going to cure the world of this wretched village.

The soldiers begin demolishing the town.

JAMES (V.O.)

(In the background.)

Not if we can say and/or do about it! By the way, you were just being harsh with those people and being mean to those from being hungry and sick at the same time.

A jet ski, with two soldiers, goes past a dock as a soldier sends a hook and chain toward it. The chain wraps around a log holding up a house and it breaks as the jet ski drives away. The house crumbles into the water. Cut to two soldiers who light a large flammable ball perched on a buoy in the river, but a mysterious gust of wind blows out the fire, twice.

MUNG

Light it again!

They follow Mung's command, and it is blown out again. Eerie flute music and super scary demonic laugh mix with Kibosh's evil laugh begin floating over the water.

FEMALE FIRE NATION SOLDIER

Look at that! Where's it coming from?

Cut to a heavy fog rapidly pouring in.

28.

MALE FIRE NATION SOLDIER

I don't know. Something strange is going on.

An ominous growling noise echoes over the river.

LITTLE BOY

It's the Painted Lady.

(Grins slyly. Ominous  
tone.)

She's coming.

MUNG

There is no Painted Lady!

A repetitive thudding noise, as of giant footsteps, has begun. Pan over the river to the back of the river where Jenny Wakeman is using her Turbine hair to make the fog bigger, then further bank where we see that the thudding is caused by Toph elevating and dropping a large boulder, Slash, Sobek's Warrior, Leatherhead, Y'Gythgba, G'Throkka, Zeno, Zog, Armaggon-Borg, and some of the other brawny heroes punching the walls, while Appa, Vornicarn, and some of the other monster heroes provide the growling and the roaring. Sokka mans the flute, producing eerie noises.

FEMALE FIRE NATION SOLDIER

What is that sound?

MALE FIRE NATION SOLDIER

Maybe it is her.

The fog parts dramatically to reveal Katara in full Painted Lady regalia. She pauses a moment and rushes toward the soldiers with a burst of waterbending. She alights on the dock and slowly approaches them.

MUNG

Do something!

(Pushes his soldiers  
forward. As they timidly  
draw near, they are  
rattled by a blast of  
airbending. Aang is shown  
hiding beneath the dock  
and Rip Hunter is in his  
Danny Phantom Invisibility  
stage. The two soldiers  
run off. To the remaining  
soldiers.)

Stand your ground!

(Katara waterbends two jet  
skis into a nearby cliff.

wreak further damage, the  
soldiers jump into the  
remaining jet skis and  
speed off, leaving Mung.)  
I'll take care of you myself.

He bends an arc of fire at Katara, we see it advance toward her in slow motion. Aang and Rip, still concealed beneath the dock, sends Katara flying into the sky on a column of air mix with Ultimo's Danny Phantom Ghost Shield; the flame passes harmlessly beneath her. Aang and James rend the dock in two with a blast of wind mix with Danny Phantom Lantern Ghost Ray Skull Beam, sending Mung flying into the river. As he flounders, Katara rises out of the polluted water before him and raises her arms threateningly.

KATARA  
Leave this village and never come  
back.

He swims desperately away from her. A stray jet ski passes by and he clambers into it; the ski buzzes off.

**11 EXT. KATARA'S DISGUISED EXPOSED & CLEAN THE RIVER - DAY 11**

This scene takes place back at the village as Sokka, Some of Team Ninja Turtles, Team XJ-9, Team Grim Reaper, Nicktoons Unite Heroes, Kingdom Hearts Heroes, Team Monsters, Team Aliens, The Yu-Gi-Oh! Monsters and Sobek's Super Warrior Servant, and Toph row toward the village as the people applaud Katara as she returns to the dock.

LITTLE BOY  
I knew you'd come.

DOCK  
Thank you!

VILLAGER #1  
Painted Lady, you're the best!

DOCK  
My brothers and I really owe you a  
lot. (Looking at her and her

faded Painted Lady marks.)  
Hey, wait a minute! I know you!  
You're not the Painted Lady, you're  
that colonial girl!

BILLY  
Oooo! Busted!

30.

Katara places a hand on her face and realizes her make-up is  
smudged.

LITTLE BOY  
Yeah, you're the lady that gave me a  
fish.

DOCK  
(Angrily.)  
You've been tricking us. You're a  
waterbender!

VILLAGER #1  
She's a waterbender!

VILLAGER #2  
How dare you act like our Painted  
Lady!

The crowd surges forward in anger. Sokka, Team Grim Reaper,  
Team Monsters, Team Aliens, and Rip Hunter run forward to  
intervene.

RIP HUNTER PARADOX  
Hey, watch it, people!

SOKKA  
Maybe she is a waterbender, but she  
was just trying to help you.

THE GRIM REAPER  
Because of her, that factory won't  
be polluting your river, and the  
army is gone.

STA'ABI  
You should be down on your knees  
thanking her!

KATARA  
James, Sokka, Grim, Sta'abi, it's

okay. (She steps forward and  
moves Sokka back. To the  
villagers.)  
I shouldn't have acted like someone  
I wasn't, and I shouldn't have  
tricked you. But I felt like I had  
to do something. It doesn't matter  
if the Painted Lady is real or not.  
Because your problems are real, and  
this river is real. You can't wait  
around for someone to help you. You  
have to help yourself.

31.

DOCK

She's right, but what should we do?

TOPH, SQWEEP, & B.O.B.

(Pops out from behind the  
little boy's mother and  
uses a lower voice.)

Maybe we can clean the river!

DOCK

Yeah, we can clean the river!

(The crowd cheers.)

Thank you. You know, you're not so  
bad for a waterbender.

SOKKA, MANDY, COVERTON, & JAMES

You wouldn't mind keeping that a  
secret, by the way, would you?

COVERTON

I know I would!

DOCK

No problem. Keeping my mouth shut is  
a personal specialty. My brother Xu,  
on the other hand, ohh, he's a  
blabbermouth.

(Sokka facepalms.)

I'm sorry that you have to hear  
about my brother Xu but he is like  
that.

KATARA

Don't worry about it. So, Dock, are

you gonna help us clean?

DOCK/BUSHI

No, ma'am. I'm going to get my other brother, Bushi. He loves cleaning rivers.

(Dock brazenly switches hats right in front of them.)

All right, I'm Bushi! Let's get some river cleaning done!

AANG & RIP

Aha, I knew it!

AANG

I knew you were the same guy. You're the shop owner and the boat guy.

BUSHI

32.

Oh, you must be talking about my brothers, Dock and Xu.

RIP

(Annoyed.)

No, I just saw you! You switched hats and called yourself a different name!

BUSHI

(Annoyed.)

Oh, you know who does that? My brother, Dock.

(Conspiratorial whisper.)

He's crazy.

(Goes off chuckling.)

But still very helpful in some ways.

Aang and James fumes in annoyance. Cut to an aerial view of the village with boats in the surrounding river. The shot changes to the boats on the river as the villagers spread clean out the pollutants. Katara, Avatar Monster, Lina, Elemental Hero Bubbleman, Jazz, and Duplicate James bends the water into a large vat while Aang, Real James, Elemental Heroes Clayman, Wild Wingman, Wildheart, Super Me, I.P.M.S.A.A.A., Chloe, Dudley, and Toph separate the pollutants using earthbending and putting it in a large boat.

Cut to an aerial view of the village as the day passes by and the river becomes cleaner.

**12 EXT. THE REVEAL OF THE REAL PAINTED LADY SPIRIT - NIGHT 12**

Cut to Team Avatar's and The Superheoic Alliance's campsite at night. Katara and Rip sits on an overlook of the river when suddenly clouds of fog appear and the Painted Lady emerges.

THE PAINTED  
LADY

Thank you

(Slowly disappears.)  
for everything.

Katara and James are first shocked, but they smile.

RIP HUNTER

That was the real painted lady  
spirit, wasn't it, Katara?

KATARA

Yeah, that was her!  
(As she's being thankful  
to James.)

33.

I really appreciate your super  
dimensional equipment from your  
world to help me out with these  
people.

JAMES J

Don't thank me yet, we still got a  
lot of this to go on the way and our  
entire journey at the same time  
before the solar eclipse comes.

FADE TO CREDITS.
