Community Schools

HEST A and the District discussed Community Schools and agreed to the specifics of the program along with the job description for the Community Schools Site Teacher Lead. The Community Schools Site Teacher Lead will participate in the Site Based Advisory Council (CSAC).

The Community School Systems Team's (CSST) composition, purpose, and responsibilities was also established.

These teams will help ensure the principles of shared decision-making that form the foundation of community schools are honored.

Next Steps:

HEST A will meet with the District on October 23, 2024.

A survey was recently sent out to all members. Please complete the survey by Sunday, September 29th. We value your input! Click the link below to review the letter from the bargaining team and the link to the survey.
