

2026 Fall Cross Country Schedule (as of 10/7/26)

Date	Home	Away	RESULTS
Consideration for the League: Using the first meet on 9/9 as more of a practice meet for all schools due to the limited number of days many schools will have prior to this date to hold tryouts and practices. For League standings, consider only counting meets 9/16 thru 10/21 - total of 6 meets + final meet of the Season. Runners would still get to run up to 8 meets in the Season.			Home Team Coach should post results here.
