

Title: MTSS Professional Learning Plan for Schools

Description: List of MTSS Professional Learning

Purpose: A guide for schools for MTSS Professional Learning

Audience: Education personnel and families

Instructions: Review the list and determine professional learning needs

The contents of this presentation were developed under a grant from the US Department of Education. #H32A15009. However, those contents do not necessarily represent the policy of the US Department of Education, and you should not assume endorsement by the Federal Government.

MTSS Professional Learning Options for Schools

Schools may choose to obtain Professional Learning through online courses on the OPI Teacher Learning Hub, District and Building Implementation Team Modules via the OPI MTSS website, and/or through face-to-face learning. This will be dependent on the needs of the individual school and the current availability of course offerings. It is recommended that courses are taken sequentially. The MTSS Overview Course offered through the Teacher Learning Hub is a prerequisite.

Whether schools choose face-to-face learning or on-line courses (or a combination of both), supplemental professional learning will be necessary. OPI can assist you in developing an MTSS Professional Learning Plan for your school through the MTSS Information Line on the [MTSS homepage](#).

CSPDs' offerings must be requested in advance. Contact your regional CSPD coordinator to schedule. Professional learning through CSPDs will be dependent on funding and need within a region.

MT OPI has been a recipient of the SPDG Grant. (State Personnel Development Grant) The goal of the grant is to support districts develop a MTSS framework throughout their district. The state will begin working with Region 1 (2021-22), Region 2-3 (2022-23), and Region 4-5 (23-24). If you want more information on the grant process contact the MTSS Info line at 406-431-2309.

Online Courses

Professional Learning Opportunities through the Teacher Learning Hub

Professional Learning Modules Through the Teacher Learning Hub
MTSS Overview
Tier 1 Systems (coming soon)
