I heard a whisper but no one was there...

Title: **HIDE AND SEEK**

Story: Whenever they play hide and seek at 3 AM, there's a voice. Characters: Annie, Sasha, Bella, Summer, AND parents.

"Uhh--- Who's there!? Sasha, please not this again...." said Annie. "AHHH! HELP! HELP!" screamed Sasha. "SASHA!" screamed Annie. Bella and Summer runs to Annie. "Something's going on!" said Summer. "What happened to Sasha?!" asked Annie. "She got attacked!" said Bella. They heard scratches on the wooden floor. "Eek!" jumped Annie. "H-Help... Me..." said Sasha, weakly. "Sasha!! OMG ARE YOU OKAY??" asked Annie. "Run....!" said Sasha. Summer puts Sasha on her back. They hear whispers everywhere! "Stay together!" said Bella. "AHHH! IT'S GOT MY LEG! HELP!" screamed Annie. Summer puts Sasha on the ground and helps Annie. "GET AWAY YOU STUPID MONSTER!!" shouted Summer. Annie sobs. "Oww..." said Annie. Summer puts Sasha on her back again. "Over there!" said Sasha, not that weak anymore. "We shouldn't have agreed on this!" said Bella. They all go into the room and lock it. "You have fell into my trap!" said Sasha, but not really her.... "Sasha! What the... What are you talking about!? And stop being creepy!" said Bella. "It's--- I am--- Not----- Sasha" said Sasha. "I don't think that's Sasha, but I also feel like it is!" said Summer. They put her down on the floor. "I will haunt you, I will kill you!" whispered a voice. "I don't wanna die!" said Annie. "Me too!" said Bella hugging Annie. "Stay strong guys..." said Summer. "Hush, hush, hush little children" whispered a voice. "WE ARE NOT CHILDREN!" shouted Annie. "Ahh!" screamed Annie, getting dragged away. "SASHA!" screamed Summer. They hear police outside. "Go! Go! Go!" said a police. They break down the doors. "Careful! There is something in there!" said the police. "Help! Help us please! Something got our friend!" said Summer. "Why were you guys even awake!?" asked the police. "We don't know sir..... We don't know..." said Annie. "Well I--- OH MY GOD!" said the police holding his gun out. The police start choking randomly. "SIR!" screamed Annie. The police shoots something and he stops choking. "WHAT!?" said the police, confused. The girls head downstairs with Sasha. "Are you guys hurt?" asked the police "A little bit, but her... A LOT" said Annie. "We better head to the hospital" said the police, putting them in the car, but the other police drives back to the police station. "What about the monster?" asked Bella. "The FBI will take care of it" said the police. They look behind the car. "Oh, okay" said Sasha. Their parents come to the hospital, worried. "Is my butterfly okay?" asked Annie's Mum. "I'm fine, only a little bit of scratches, me and my friends are fine" said Annie. Annie's Mum hugs her happily. "Hopefully we never see that MONSTER again!" said Summer, but their parents laugh. "Kids these days..." said Bella's Mum "IT'S TRUE! AND WE ARE NOT KIDS" said Annie. They hear the wind but the windows weren't open. "What was that?" asked Annie. **THE END**
