1

Fr. John: Gentlemen...This has been a great vacation! I feel has if we have accomplished a lot...of RELAXING!!
Gary: I agree...although I wore my sweater the whole time, I really feel re-charged! What about you Greg?

2

Greg: I completely agree...None of us were ever on our phones...and although I wore jeans this whole trip...I also feel relaxed!
Fr. John: I enjoyed not being on my phone as well. Hopefully no one was trying to get a hold of us...

3

Nichlas: Why is no one answering their phones? You would think they would want to know if a very important person was coming to visit them in Puerto Vallarta...so frustrating!

4

Nichlas: Even if I do not get a hold of them, I know they are going to be so excited to see me! I bet none of them have even thought about having a piano in the new school...they are going to LOVE my idea...I just need to get a hold of someone!

5

Greg: So when we get back, I think most things are ordered...they just need to be put together...Anything else you were hoping to have or need?
Fr. John & Gary (Simultaneously): A piano!
Gary: Wow! Great minds think alike Fr. John! I already have a very generous person donating one...

6

Fr. John: This is great Gary! It will really bring some additional "class" to the new building...Shocked that Nichlas never thought of this idea...And he calls himself the Director of Music?!? I am going to need to have a talk with him when I get back...I just wish he was more committed!

7

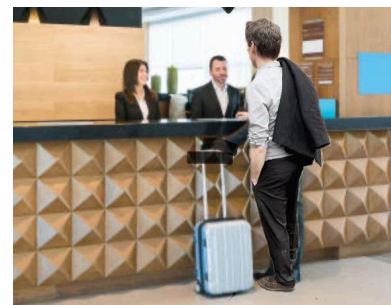

(That night...Fr. John, Greg, and Gary say Good bye to their vacation)

Fr. John: Well guys, this is our last night here...let's enjoy this final sunset...it sure has been a good vacation. Time to get back to reality...

8

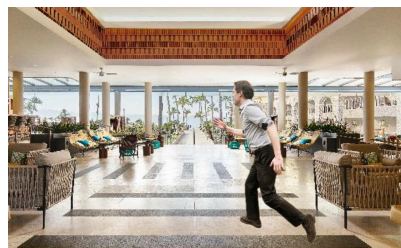

Fr. John: And although the sunset is great...I still can't get over how Nichlas never thought of having a piano in the new building...I am just so disappointed...
Gary: It's ok Fr. John...You need to let this go...Just enjoy this amazing view one last time...

9

(The next morning, Fr. John, Greg & Gary head to the airport...Nichlas arrives to the hotel...just a little too late)

Hotel Clerk: I am sorry Sir...your friends have already left...but you may be able to catch them...

10

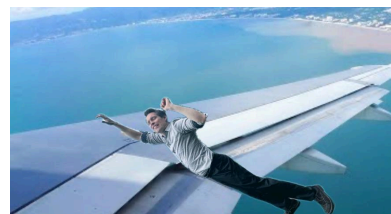

(And just like that...Nichlas' catlike reflexes spring into action!)

Nichlas: I cannot let the community of St. Anthony down...We need a piano, and I am going to make that happen. Some would call me a HERO...but I am just a guy...wanting to bring music to the new school...Time to put my cross country training to the test!

11

(Uh oh...Looks like Nichlas is too late...What is he going to do?!? He needs to get on that flight!!!)
Nichlas: I have a plan! This could get interesting though...on a side note...why am I wearing suit pants in Puerto Vallarta and not shorts?!?

12

Nichlas: Looks like I am hitching a ride on the wing...Not too many people more committed to St. Anthony than me...kids...do not try this at home...I am a trained professional.
Hopefully Nichlas can hang on all the way back to Tigard and talk to Fr. John, before Fr. John TALKS to him...

Stay Tuned!!
