

Privacy Policy for Little Scrolls

Data Collected

- **No Personal Information:**
Little Scrolls does not collect any personal data such as names, addresses, phone numbers, or email addresses.
 - **Non-Personal Information:**
We may collect non-identifiable data, such as:
 - Device information (e.g., type, operating system version).
 - Usage data (e.g., app performance, crash reports) for improving the app experience.
 - **Parental Consent:**
The app does not allow children under 13 to share personal data without verifiable parental consent.
-

Data Usage

- Collected data is used solely for:
 - Enhancing the app's performance and fixing bugs.
 - Understanding user behavior to improve the gameplay experience.
 - Ensuring the app runs smoothly on various devices.
-

Third-Party Services

- **No Ads:**
Little Scrolls does not include third-party advertising.
 - **Analytics:**
We may use anonymized analytics tools to monitor app performance, compliant with child privacy regulations.
-

Data Sharing

- We do not share any data with third parties, except for anonymized analytics data for app performance.
-

Parental Controls

- The app includes a dedicated parental section, accessible only via a PIN, where parents can:
 - Review the app's features.

- Manage settings.
 - Access customer support.
-

Security

- We implement industry-standard security measures to protect data, ensuring it is not accessed or misused.
-

Children's Privacy

- Little Scrolls complies with the **Children's Online Privacy Protection Act (COPPA)** and the **General Data Protection Regulation (GDPR-Kid)**.
 - All interactions are designed to be child-friendly, with no intrusive data collection.
-

Additional Notes for the Google Play Store

- **Data Safety Section:**
 - Specify "No personal or sensitive user data collected."
 - Include details on anonymized analytics, if used.
- **Designed for Families Program:**
 - Ensure the app complies with Google Play's family-friendly policies.
 - Clearly state that the app is suitable for users under 13 and does not contain inappropriate content.
