Where it's a Good Day to Have a Great Day!

2026-2027 Student/Parent Handbook

Mission Statement:

● We will educate and inspire all Wolves to be impactful citizens who contribute to the world around them.

Vision:

● We will stand out as an exceptional learning institution by igniting opportunities for our students.

Core Values:

● IRCSD will make all decisions based on professionalism, respect, integrity, diversity, and excellence.

Protocols:

● We will educate and empower our students by supporting learning opportunities led by exceptional staff.

Dear Students,

Welcome back, Wolves! We are excited to begin another incredible school year together at Indian River Middle School. Whether you are joining us for the first time or returning for another year, know that you are an important part of our school family. This year will be filled with opportunities to learn, grow, build lasting friendships, and discover new strengths. Remember, every day is a new opportunity to make a positive difference, and every member of our school community is here to support you. We can't wait to see all that you will achieve. Here's to an amazing year at IRMS—it's going to be a #GoodDayGreatDay!

WIN Period (What I Need)

WIN is an opportunity created at the start and end of the day that will allow students to check in and check out with a trusted adult. During WIN, the adult plays the role of a caring supporter for our students, no matter the need. IRMS has scheduled this opportunity to build community and advance our PBIS goals. We hope to promote caring communities of learners, support positive student-adult connections, provide each student with an opportunity to belong, encourage empathy and understanding of others, promote mutual respect and meaningful relationships, and enhance the social and emotional development of our students.

Visitors at IRMS

All visitors must push the button outside of the main entrance door to gain access to the building. Visitors must sign in using our Security Software at the entrance to receive a pass to be in the building. All visitors will be required to have a valid ID to enter. Passes should be worn at all times when in the building, and a check-out in the security system is required upon leaving.

Pick -Up and Drop-Off

*Please remember the parking lot SPEED LIMIT IS 15 MPH in the school zone at all times. Parent Drop-off is no sooner than 7:00 a.m., with the instruction starting at 7:15 a.m. Before 7:00 am, we do not have supervision for your child. From 7:00 to 7:15, students will wait in the cafeteria.
Parent Pick-up is at 2:15 pm, directly after the afternoon announcements. If you are picking up your child after school, please notify the main office by 1:00 pm on the day you will pick up. After that, please be advised that your child may not be notified and will board the bus. It is difficult to get kids off the bus once it has already boarded. Please do not pick up your child before 2:15 pm unless absolutely necessary.
If you are picking up your child in the afternoon each day, you will need to complete the required documentation to inform our Main Office. If you would like your child to walk home in the afternoons, you will need to provide a note to the Main Office, and a walking pass will be issued for your student. As a safety precaution, if your child is a walker, all students must wait until buses have been dismissed and Parent Pick-up is clear before leaving.

IRMS Nursing Office

If you are not feeling well, you should go to the nurse's office for your safety. They will document it and determine if you need immediate medical attention/should call home and/or be picked up. Please do not call home on your own. Our ability to document these instances is essential. All students need to have medication orders in the nurses' office in order to have medication given to them in school. No over-the-counter medications are allowed without a medication order from a health care provider and will be stored in the nurses' office. Students in 7th or 8th grade interested in playing sports will need to have a sports physical. Please check with the school nurse to check on your physical status.

Our nursing staff will alert families of any needed vaccinations prior to the school year. All new students and all students entering 7th grade are required to have a physical. If possible, please schedule your child's physical before the beginning of the academic year. Please have your child turn in the paperwork to the school nurse asap.

Attendance

An absence is a lost opportunity for you to learn. All students are required to attend school during the scheduled days. We will work with you to support your students during any and all times of absence. Remember Every Day Matters!

When you return after an absence from school, you must present a written excuse (or send a ParentSquare message) to the main office upon arrival at school, no later than 3 days after you return. A parent or guardian should write all excuses and should have the following information: Date written, Date(s) of absence, the reason for absence, and Parent/Guardian signature. Excuses should be turned into the Main Office. Parents will receive a Parent Square message and/or phone call at 10:30am that they can reply to explaining your absence.

Mrs. Thomas is our building's Home to School Coordinator, who supports all students and families in the IR Middle School community so students can confidently and successfully attend school. She may be reaching out to check on you when you are out of school. Her goal is to enhance students' educational experience by carrying out necessary communications between home and school, and carrying out other activities that promote positive home-school relations so the student can benefit fully from his/her school experience.

Code of Conduct

The Indian River Board of Education is committed to encouraging and fostering the development of positive behaviors in each student and providing a culturally responsive, respectful, safe, and orderly school environment where students can receive, and district personnel can deliver quality educational services without disruption or interference. Responsible behavior by students, teachers, other district personnel, parents, and other visitors is essential to achieving this goal. Please visit the District website under the Families and Students tab to read the entire code of conduct. Please be advised that any student who violates any portion of the IRCSD Code of Conduct may be subject to a disciplinary referral. Disciplinary referrals are part of your child's records and will be transferred to their next school if a student moves.

Dress Code

The full dress code can be found in the IRCSD Code of Conduct.

An individual's dress, grooming, and appearance should:

- Be safe, appropriate, and not reasonably likely to pose a safety hazard(this includes hanging clothing, ex: capes, flags worn as capes, blankets, and/or other hanging articles of clothing such as chains or tails) in school is not permitted.
- Be appropriate for the weather, building climate, time of day, and the function – i.e., field trips, athletic events, class activity, etc.
- Students, regardless of gender, are expected to wear clothing that ensures all undergarments are completely covered by outer clothing, are fastened appropriately, and are not be revealing or see-through (ex: reveal his/her abdominal area, cleavage/chest, gluteal area, or could otherwise potentially expose private parts of the body).
- Include appropriate footwear at all times. Certain classes require a specific type of shoe, such as sneakers for PE and closed-toe shoes for labs, art, technology, and recess, among others. All shoes should have a hard sole; slippers

(soft soles) are not appropriate school attire. No cleats are allowed in the school building.

- Not wear clothing or accessories that bear an expression or insignia that is obscene, lewd, vulgar, libelous, or denigrate others on account of race, age, color, religion, creed, national origin, gender, sexual orientation, disability, or any other legally protected status, intimidates, poses a threat to others, including that which is indicative of involvement in or affiliation with an organized group or movement that advocates and practices hatred, hostility, or violence towards others are not allowed, items that promote and/or endorse the use of alcohol, tobacco, or illegal drugs and/or encourage other illegal or violent activities, including that which is indicative of involvement in or affiliation with an organized group or movement that advocates and practices hatred, hostility, or violence promotes alcohol or drug use, or which advocates unlawful violence or prejudice. All headwear must allow for ears and face to be visible, should not interfere with the line of sight to any student or staff (except clothing-headwear worn for religious or medical purposes), and may not be disruptive in nature. Sunglasses shall not be worn.

*Exceptions for medical needs may be permitted and must include proper documentation submitted and approved by building administration.

*Final determination of appropriateness will be made by the building administration. Items in addition to the above list may be imposed by the building administration, if necessary. Students who violate the dress code shall be required to modify their appearance by covering or removing the offending item and, if necessary or practical, replacing it with an acceptable item. Any student who refuses to do so shall be subject to discipline.

DASA

DASA is New York State's "Dignity for All Students Act." DASA seeks to provide the State's public elementary and secondary school students with a safe and supportive environment free from discrimination, intimidation, taunting, harassment, and bullying on school property, a school bus and/or at a school function. At Indian River Middle School, we maintain a safe school environment by enforcing the Indian River CSD Code of Conduct and promoting civility and citizenship. Students and staff demonstrate civility through polite actions and courteous manners, appropriate gestures and words, and by showing respect for all. Students and staff demonstrate citizenship when they care and show concern for others' feelings and safety, communicate in a respectful and productive manner, and carry themselves with dignity and respect. In the event this is not the case, a DASA Reporting Form is available under the "Quick Links" on the IRCSD.ORG webpage. The following individuals are appointed as Dignity for All Students Act (DASA) Coordinators for the 2026-2027 school year at Indian River Middle School and can be reached at (315) 642-0125 during school hours.

Bathroom Policy/Procedures

Our custodial staff works very hard to keep our bathrooms clean. We also expect you to do your part. Just like in all other places in IRMS we have PRIDE.The restroom is YOUR space. Thank you for not abusing this privilege by damaging it in any way, "hanging out" with your friends, using your phones, etc. Thank you for taking sanitary precautions (washing hands properly, disposing of garbage, etc)

Hall Pass Policy/Procedures

IRMS utilized Securlypass, an electronic hall pass system that is accessed from students' Chromebooks. It is an electronic hall pass system where administrators and teachers have an easier way to issue and track hall passes. Students request a hall pass from a teacher on their school device. The system automatically checks to see if the student has a pass limit, the requested destination is closed or full, or if there's another student in the halls that the student isn't supposed to be in contact with. Teachers can approve or deny passes in seconds, without disrupting their lesson. School Administrators can pull custom reports for pass takers, pass granters, and more to immediately know what students are going where, and how frequently.

Bus Expectations

Transportation to and from school must be done in a safe and orderly manner. Students are expected to maintain this by limiting distractions to the driver and following all safety regulations. Please remember that riding the bus is a privilege that may be revoked for violating school rules or safety regulations. The full IRCSD Code of Conduct applies to your time on the bus.

A few important reminders:

- When crossing to get on or off the bus, make sure you follow the driver's directions and universal signals.
- No eating/drinking on the bus.
- Please remember to use your technology appropriately. Cell phones are used for educational purposes, text messaging, watching videos, playing games. Making calls, taking photos, and video recording are not allowed.
- Students may only use one earbud for safety.

- Remain in your seat, face forward and stay out of the aisle at all times.
- Please do not yell, scream, swear, or throw objects. It is VERY important to not distract the driver.
- When you leave the bus your seat should look as it did when you arrived, no trash left behind or damage to seats.

Bus Passes

For students who wish to ride the bus to an alternate location, parents should contact the main office by noon at the latest. As our transportation team continues to work through limited drivers, we will continue to work with families, but this should only be used for emergent situations

Chromebooks/Electronic Technology (School-Issued) Acceptable Use Policy

Prior to using Electronic Technology, students will sign an acknowledgment that they understand how to properly use their Chromebook. Additionally, before logging into the IRCSD system, students and staff are required to agree to the Electronic Technology Acceptable Use Policy's Terms and Conditions. The complete IRCSD Electronic Technology Acceptable Use Policy can be found at ircsd.org. Students are expected to charge chromebooks each night and arrive at school prepared to work. Chronic failure to be prepared will result in disciplinary action falling under C.4 Violate law, ordinance, or school policy.
*Please understand that upon issuance of such district-owned devices, the students and the parent/guardians read, understand, and agree to abide by the Responsible User Agreement, including financial responsibility for the repair and/or replacement costs due to misuse or loss. If the computer is damaged at home please bring it to the library to report it. The Chromebook will be under the

same surveillance as a computer at school and you will be held to the disciplinary consequences as stated in the IRCSD Code of Conduct. Remember, anything you access using the school's network will be monitored. Please use the technology appropriately.

Cell Phone/Electronic Device(Private devices) Policy

As required by Education Law §2803, students are prohibited from using internet-enabled devices during the school day, unless under an exception (e.g., IEP/Section 504). Students are expected to turn off cell phones/non-school-issued electronic devices(ex: smart watches, bluetooth speakers, earbuds, headphones) when entering the building and place them in locked lockers. The school day is 7:00 am-2:30 pm. If you need to make a phone call, you may go to the office (see the section labeled "phone calls"). Parents may always get a message to their child through the main office. We are not responsible for any lost, stolen or damaged devices in the building.

If a student is seen with their device during the day, it will be confiscated by a staff member and turned in to the office. It will be tracked by the main office as a violation of the cell phone/electronic device policy, and a parent square will be sent to parents with the following consequences:

1ST OFFENSE

- The device will be returned to the student at dismissal. It is the student's responsibility to collect their device at that time.

2ND OFFENSE

- The device will be returned to the student at dismissal. A phone call will be made to parents.

3RD OFFENSE AND AFTER

- (Progressive) Discipline referral is created and a phone call is made to the parent. A parent MUST pick up the device.

Phone Calls

As cell phones are restricted, we recognize that there may be times throughout the year when you may need to call home for something important. If you need to call home please ask your teacher if you can go to the Main Office. If you are feeling ill, please go to the nurse's office and they can assist you. Please note, that we cannot dismiss you for illness without you seeing the nurse first. Office personnel are available to notify students of pertinent information. If you need to get a message to your student, please contact the Main Office at 315-642-0125, and we will notify your child of your message.

Lost and Found Property

If you find items, please bring them to an adult immediately. If you believe you lost something, retrace your steps and check the lost-and-found table. Any valuables will be kept secure in the main office. If you can not locate your item, please contact an adult in the building. Lost & found items are displayed for 2 weeks. Library books are returned to the Library when they are found. Items left in the locker rooms are held in a box inside the locker rooms near the door.

PLEASE NOTE: All items not claimed after two weeks will be used for the Indian River clothing closet, and overflow will be donated.

Lost or Damaged Textbook Policy

Books are provided free of charge. You will be expected to treat textbooks and other school materials properly. If you lose a

textbook, your parents will be asked to pay a prorated charge to replace it.

Backpacks

Once you arrive at school, you will be required to use your locker, leaving your backpack safely inside. Your team of teachers will help you practice with your locks and create a schedule for how to plan for when you will have time to head to your locker. Please be advised that the school reserves the right to inspect backpacks if there is probable cause to do so.

Lockers

Each student will be assigned their own locker at IRMS. It is important that you remember this is YOUR PRIVATE SPACE. Students have full responsibility for the security of their locker and should make sure that they are locked at all times and that the combination is not given to others. Student lockers and desks remain under the jurisdiction of the school. The school reserves the right to inspect all lockers and desks. Searches of lockers may be conducted at any time there is reasonable cause to do so, whether or not students are present. Instructions for your locker are as follows: To open- turn RIGHT 3 times, Stop at the first number, Turn LEFT one full turn, passing the first number to stop at the second number, Turn RIGHT to the third number, Continue turning until the dial stops. Lock door will open and close freely. To RELOCK close the door and turn the dial to the right one full turn.

Food and Beverages

Outside the cafeteria, only clear liquids should be consumed throughout the day. Full breakfast and lunch are served free of charge in our cafeterias. Any food outside those spaces is at the classroom teacher's discretion. The cafeteria has extra snacks for

sale; these can only be purchased with the student's lunch. Students will be limited in the amount they can purchase so everyone has a chance to buy snacks. Food served from the cafeteria should not be removed from that space. There should be no food out in the hallways.

Academic Eligibility for Extracurricular Activities

All Indian River Middle School students are encouraged to participate in afterschool activities. This privilege is offered along with academic success. Students' academic results will determine eligibility. IRMS Eligibility is determined at the 5 Week Progress Reporting time and 10 Week Marking Period. Any student who achieves a passing grade in all courses or is failing just one course at a grade or progress reporting time will be Academically Eligible. If a student is failing two courses at a progress reporting time or marking period, they will be placed on Academic Probation. During that time, students may continue to participate but are advised to stay after school, seek extra help, and work to pass all courses. If a student who is on Academic Probation is failing two or more subjects at the next grade or progress reporting time, that student is now deemed Academically Ineligible. The student will remain Academically Ineligible until they achieve a passing grade in all courses or are failing just one course at a grade or progress reporting time. If at the end of any Marking Period a student is failing three or more subjects, the student will be deemed automatically Academically Ineligible. In an effort to continue to support our Middle School Students and their academic progress, we will continue to support their participation in our Extracurricular Activities. Any students who are struggling to meet the requirements of the academic eligibility policy should reach out to their school counselor for support.

* This is inclusive, but not limited to Athletics, Musical, and Club participation

School Dances/After School Clubs, Programming and/or Events

The hours for school dances/after-school events will be determined by the type of event. The full school Code of Conduct applies at school dances/after-school events. Discipline & Academics will be considered at the discretion of the Academic & Administrative Team. You must attend the full day of school on the day of the dance/after-school event. Exceptions for a Doctor or Dentist appointment. A note from the Doctor or Dentist will be required. Only IRMS students may attend dances, no out of district or Intermediate/HS students may attend. If you leave early and/or at the end of the dance/after-school event, you will need to be signed out by a parent/guardian. If you are not picked up from the dance/after-school event within 30 minutes of the end of the event, you may be prohibited from attending further dances/activity nights. For student safety, arrangements for an alternate pickup person must be made in writing ahead of time & given to the office no later than the morning of the dance/
after-school event. Identification may be requested.

Field Trips

Participation in field trips or end-of-year activities are up to the discretion of the academic and administrative teams. Decisions for participation may be based on disciplinary history, attendance, and work completion. Expectations will be shared with students at the 20 week mark. Students shall dress appropriately for the field trip activities. The full school Code of Conduct applies at off-site field events. Fundraising directly impacts end-of-year activities, make sure to do your best to participate in all fundraising activities. Come visit the main office with any questions or concerns!
