

## The MinifigExplorer

Lets see what locations and how many miles we can get the Minifig Explorer to travel!

This is all about building a lego community seeing how far we can all get this little explorer to travel

### The Rules

1. Take a photo of the explorer minifig in your local area or a local attraction near you
2. Post it on your instagram account asking who wants the mini fig next
3. Use the hashtag #theminifigexplorer
4. Please tag @theminifigexplorer and @allthingsbricks in any instagram post
5. I will update the minifigs journey on our website [www.minifigexplorer.co.uk](http://www.minifigexplorer.co.uk) and post on the instagram account tagging your account
6. Send the minifig onto the first person who contacts you asking for it next

Please only give you address to the next person who requests the minifig and someone you trust

Please do not keep the minifig pass it on as he wants to see as much of the world as possible

Postage is your cost, please use recorded delivery so we can try and track where the fig is if he gets lost

Entering into this is 100% at your risk, please do not give out your address to someone you don't know or trust
