

Psychology Research Pathfinder

Circulating Works

Look under the following Dewey Decimal classification numbers of the library stacks, both in the GHS library and the Livermore Public Library:

- 150** Psychology
- 152** Perception, movement, emotions, drives
- 153** Mental processes & intelligence
- 154** Subconscious & altered states
- 155** Differential & developmental psychology
- 156** Comparative psychology
- 158** Applied psychology

Reference Works

(Reference works stay in the library.)

Look in the 800 section of the reference works at the public library; the same categories above apply.

Websites

[Classics in the History of Psychology](#)
