Supporting Marzano's Nine High-Yield Strategies

Setting Objectives and Providing Feedback
- SIOP (Differentiation)
- Lesson Planning
- PLCs/Common Core & Essential Standards
- Data Analysis
- Formative Assessment
- Working with external stakeholders (parents, community)

Reinforcing Effort & Providing Recognition
- Classroom Management Strategies
- Student Self-Assessments

Cooperative Learning
- SIOP Strategies
- Informal (Think-Pair-Share)
- Formal (Group Projects)
- Base (Long Term Grouping)

Cues, Questioning, Advance Organizers
- Thinking Maps
- Time On Task
- Higher Order Questioning

Nonlinguistic Representations
- Thinking Maps
- Manipulatives
- SIOP Strategies
- Kinesthetic Activities

Summarizing and Notetaking
- Modeling summarizing strategies
- Modeling note-taking strategies

Assigning Homework/Practice
- Goal-setting
- Alignment to standards
- Feedback
- Differentiation

Similarities/Differences
- Thinking Maps

Generating & Testing Hypotheses
- Inquiry Based Instruction
- Problem Based Learning
