

Physics

Levels Available

Advanced Higher (S6)

Entry Requirements

- Higher Physics - Grade 'A' or 'B'.

Description

The Course gives learners further insight into the underlying nature of our world and its place in the universe. From the sources of the power we use, to the exploration of space, it covers a range of applications of the relationships that have been discovered through experiment and calculation, including those used in modern technology.

This Course allows learners to further understand the processes behind scientific advances covered in previous levels. Pupils will explore 'Rotational Motion and Astrophysics', 'Quanta and Waves', 'Electromagnetism' and complete a practical-based project.

Assessment

Advanced Higher Externally Assessed
