- Attendance Procedures
 - In addition to calling the BC attendance phone line (262-785-3994), families can also send an email to BCHSattendance@elmbrookschoools.org to report an absence to school. When reporting an absence, please provide the student's name and reason for the absence. If they are missing school due to illness, it will be important to let us know ALL of your child's symptoms and any physician confirmed diagnosis such as COVID-19. It will also be important to know if your child is staying home because they have been exposed to someone who has tested positive for COVID-19.

Please note that if a virtual learner is not going to be present, the attendance office must be notified of the absence.

- If parents/guardians need to connect with a teacher, please consider emailing rather than calling. If a phone call is absolutely necessary, please email the teacher to request a phone call. Many teachers are different classroom spaces this year and they do not have access to their voicemail.

Please reach to us if you are in need of anything. Together we will stay safe to stay open. Feel free to email me or call or text me at 262-794-6070.

Thanks and take care-

Brett J. Gruetzmacher
Proud Principal
