

## A Job

With your group, choose a job to focus on.

It could be a job you have now. (Examples: accountant, businessman)

It could be a job you are studying for in the future. (Examples: architect, doctor)

It could be your dream job. (Examples: novelist, musician, astronaut)

Or it could be a crazy, unusual, or imaginary job. (Examples: Samurai, King, super-hero)

Then, with your group, design a Presentation giving advice to anyone who wants to do this job.

Include:

- What skills you need to do this job,
- What experience you need,
- What you have to study,
- What you should do if you want to get this job.
- And any other advice you have about this job
