

Greetings Ram Families!

Southeast Polk is now a full partner with Bound, a full-scale athletic, activities, and facilities management system. This partnership will create a seamless and engaging experience for all Southeast Polk stakeholders - all of our schedules, ticketing, scores, and standings will be in one location!

Bound Public Website - To get started, click on the following link and be sure to bookmark this page. This is the landing page for Southeast Polk's public page. You and your family will be able to get to everything you need from this site! We also suggest downloading the Bound app to your mobile device. <https://www.gobound.com/ia/schools/southeastpolk>

Athletic Registration - To get your 7-12 athlete(s) registered for their 25-26 activities programs, click on the 'Registration' link at the top of the Southeast Polk Bound public site.

From here, you will be able to connect your family (parent and student accounts), enter or update all important demographic information, upload your current physical, sign off on all of the required documents for participation, and register for the sports your athlete(s) intend to participate in this school year. This process must be completed by a parent or guardian, NOT by the student. Registration must be completed and a current physical uploaded before students will be allowed to practice. Students with a current physical on file (you will see a physical date in the system) do not need to re-enter their existing physical; only new physicals need to be uploaded during registration. **Due to HIPAA regulations, the school is NOT able to upload physicals on behalf of the students; guardians must do that themselves.**

Here is a step-by-step document to get you started on the process:

<https://intercom.help/boundhq/en/articles/7934242-registering-your-student-for-an-activity>

Tickets and Passes Information - We will continue to utilize cashless ticketing options for the 25-26 school year. We also offer student activity passes for grades K-12 through the Bound ticketing tab. You can pre-purchase your passes or individual tickets online ahead of time OR make use of our credit/debit card/Apple Pay readers at the gate with no advanced purchase or account needed. Click on "Ticketing" at the top of the Southeast Polk Bound public site to begin your ticketing experience today.

Notifications - As parents or guardians of active junior high and high school students, you need to keep up with any changes or adjustments to schedules in real time. By utilizing the “Notifications” feature in Bound, you can sign up to receive notifications of changes, postponements, or cancellations in scheduled events. At the top of the Southeast Polk Bound public site, you will notice the green “Notifications” button below our mascot. This button is located in the same location on each page as you navigate from activity to activity. If you want school-wide notifications, click on this button on the Home screen and sign up - name, email, phone number and what notifications you would like to receive. From there, navigate to the activities your student(s) are participating in or ones you want to follow and do the same. For example, if you want girls basketball notifications, you will click on Activities and Volleyball. Once you land on the volleyball home page, click on the ‘Notifications’ button and sign up for notifications specific to volleyball. Repeat this process for any activities you need to stay up to date and in the know!

Schedules, rosters, stats...and more - We would invite you to take a test drive around the site while you are there. Click on the links at the top of the page to see all of the athletic, fine art, and school activities we offer here at Southeast Polk High School. This site will be your one stop shop for your family’s activities information and resource needs.

Please reach out to our Activities Office if you have any questions.
