## **SCHOOL-PARENT COMPACT**

Fountain Woods Elementary School and parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. This school-parent compact is in effect during school year 2020-2021.

### **School Responsibilities**

#### **The Fountain Woods Elementary School will:**

- 1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables children to meet the State's academic achievement standards as follows:**

The Fountain Woods Elementary School will continue to utilize researched based programs to enhance student learning. All academic programs are aligned to the New Jersey Student Learning Standards. Various intervention programs are in place (i.e., Intervention and Referral Services (I&RS), Academic Achievement) to assist struggling learners as we continue to close the achievement gap. Classroom teachers participate in varied professional development opportunities.

- 2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.**

Teachers are available for parent-teacher conferences during scheduled periods in the fall and spring. Teachers are also available to meet with parents by appointment during prep periods and immediately before and after dismissal. This compact was shared between conference periods but by the end of the first marking period.

- 3. Provide parents with frequent reports on their children's progress.** Specifically, the school will provide reports as follows:

- Report cards are issued to students four times per year.
- Progress reports are shared four times per year.
- Teachers also use email, journals and telephone conferences as methods of reporting student progress.
- Online access to ParentPortal is available.

The Mission of the Fountain Woods School is to provide a safe, nurturing, and academically challenging environment that meets the needs of our students while preparing them for a culturally diverse world.
