# 2026 Onward to Third

Hello Second Grade Parents,

**'Onward to Third'** is a special tradition that our 2nd graders get to enjoy as they celebrate the end of their time at Concord Elementary. We will celebrate our amazing 2nd graders and give them the opportunity to participate in some meaningful traditions during the school day on ***Friday, June 5th, 2026***.

We will be gathering materials so that we can put together their Class Time Capsule. **At this time, we are asking you, the parent(s), to write a letter to your child, to be placed in the "Class of 2036 Time Capsule."** The Time Capsule will be opened ten years from now on/around their High School Graduation.

We need to accommodate all the classroom symbolic items, as well as over 200 letters in the Time Capsule, so we are requesting that the letters be written or typed on 8 1⁄2 x 11 paper and placed in the attached envelope (or a manila envelope no larger than 6"x9"). You may include a few photos in the letter-sized envelope if you choose.

**We are also asking that you have your child fill out the attached "Onward to Third Survey."** This survey should be included in the envelope with the letter that you write your child and any pictures you want to include. Please send these items to school ***by May 29th*** in the attached sealed envelope with "Onward to Third" and your child's full name written on the outside. You may send it in via your child's take-home folder or drop it off at the front office in the time capsule bin.

Please feel free to contact us with any questions at concordhsa@gmail.com.

Thank you!

***Onward to Third Committee***
