

K-5 Writing Planning Sheet

Use this sheet to plan the writing you will put in your writing journal.

Personal Narrative: A story about something significant/important that happened to you. It has a beginning, middle, and end. Use descriptive language (strong adjectives and vivid verbs) to make your story interesting. Pictures can be used with simple print for k-1 learners. 2-5 learners can add an illustration to their writing as well.

All About/Report of Information: Write and draw about a topic you know a lot about. Your writing should have an introduction, organized middle sections, and a conclusion. Include facts and details about your topic. Add text features (headings, maps, graphs, pictures, vocabulary words) to make your writing interesting to read.
