Re: Report to the Board

Date: Monday, August 14, 2023

Tonight we will host Lake Hamilton for a senior high football scrimmage. Along with this we will have "Meet the Badgers" and introduce our senior high fall sports teams and our band to the community.

Tennis and Golf teams have already started competing. Volleyball, Football, and Cross Country will all begin competition in the next ten days.

Our coaches are all looking forward to their seasons. We have had a long, hot summer on campus, as our coaches and student-athletes have worked toward the 23-24 school year and sports seasons!

Go Badgers!!
