

Pokemon Likes and Dislikes!

These are in no particular order. The (+) next to a Pokemon means I also enjoy their shiny form. Highlighted Pokemon mean I've already received multiple versions of that Pokemon. I really enjoy Psychic Types! I love all Pokemon, but I prefer some over others when it comes to characters, which is why I have a dislike list. As long as you avoid the dislikes there's a chance I'll accept!

Favorites:

- Dewott/Samurott (+)
- Audino
- Spinda (+)
- Scolipede
- Cinderace (+)
- Sigilyph (+)
- Leavanny
- Hypno
- Drowzee
