A Thought to Ponder from The Urantia Book

The Morontia Form

“As the mortal body is personal and characteristic for every human being, so will the morontia form be highly individual and adequately characteristic of the creative mind which dominates it.”

42:12-11

靈質性形態

「正如凡人的身體對每個人來說是個體性的，各具特徵，靈質性形態也將會是高度個體化的，並充分反映主導它的創造性心智之特徵。」
