

Signing this document is obligatory for any outfit participating in the Mattherson vs Waterson ServerSmash (hereafter referred to as the 'Event').

All signatories agree that the match outcome is final, and that the winner of the match will have their server's name chosen as the name for the merged server.

All outfits agree to abide by ServerSmash Administration decisions, not including, "possible backdoor for silly rules". However, these outfits will refrain from harassment, or complaining about any element or situation before, during, and after the Event. We expect all outfits involved to abide by this agreement, and to police their own members' conduct.

The ServerSmash Administration team reserves the right to restrict participation in any future matches from outfits that violate this agreement.

By signing this document you declare that you are the sole person responsible for any statements made by the members of your outfit and the Event's participants that signed up for the Event as part of your outfit. Server Representatives are responsible for all participants without an outfit tag.

To sign this document, please provide required information in this form:
