

Five Things on a Friday – Coming up in LUU

Here's some things that are coming up in LUU over the next few weeks to keep an eye out for.

Tea and Toast

We all know breakfast is the most important meal of the day, especially during Welcome and so Tea and Toast is back!

From **Monday 16 September to Friday 27 September**, there will be Tea & Toast. From **9am - 10am**, pop down to the Staff Room where we will be running a tea & toast hour where, as it says on the tin, you can grab yourself some tea and toast to start the day.

After 5pm, there will be treats put in the Staff Room for staff working evenings/nights. On both Fridays at 5pm, there will also be treats put out for staff working the weekend too.

We are catering for dietary requirements and allergens including Gluten free and Vegan.

Volunteering Opportunities During Welcome Week

The Welcome period is almost upon us, with International Orientation Week starting on 16 September and the following week commencing 23 September will be Welcome Week.

We have many key streams of activity around campus during the two-week period and we are looking for staff to support this activity. If you are able to give an hour or more to support this LUU activity it will be extremely helpful to supporting Welcome at LUU.

We appreciate that for many staff this may not be possible in line with other commitments and work at this time.

Expect a multi genre and era DJ set, and a lip sync battle to your favourite tunes, hosted and judged by herself. This will be followed by a meet and greet with her after the show. Big fans of the show won't wanna miss this.
