I _____ give my permission for _____ to

go on this field trip. I understand that all school rules apply on the trip and that if the student violates school rules or otherwise becomes a behavior problem she/he will be sent home at my expense. I have completed the Parent/Guardian Information below, and MSAD 6 may rely on it being accurate in all respects.

The school will determine a student's eligibility to go on the trip. However, I also understand that allowing the student to participate in this trip is solely my decision. The student is not in any way required or expected by the school to go on the trip.
