

**IMPORTANT NOTICE  
PLEASE READ!!**

Scholarship requests by paper applications are no longer being accepted. All students are required to create an account with scholarships that will match them accordingly to all scholarships of which they meet the required criteria. Please follow the directions below when completing the scholarship process.

**To apply for scholarships:**

- 1. Go to home page and select “Financial Aid”**
- 2. On the left hand side of the financial aid home page select “Additional Types of Aid”**
- 3. Select “Scholarships”**
- 4. Students must make sure they meet the criteria on the “How to Apply” page. If so, students can select “click here” and create their account and begin their scholarship application.**

If you have any questions in regards to this process, you may contact the Teacher Education Program Office at 954-201-8420 or the Office of Student Financial Services directly at 954-201-2330.
