ALL Physical Education Classes:

Changing clothes for Physical Education this year will be optional the majority of the time, but may be required at the discretion of the PE department (based on the nature of the activities/units). Regardless, students are expected to wear attire that would not inhibit participation on PE Days. Closed toed and closed heel shoes are always required. No crocs (in any mode), boots, slippers, or Hey Dudes. Keep a pair of PE tennis shoes in your school locker! If you come to PE class without appropriate footwear, you will be required to borrow from us in order to participate safely.
