

CORUNNA HIGH SCHOOL ANNOUNCEMENTS

September 1, 2020

Water will be available for purchase for \$1.00 at breakfast and lunch.

FREE after school snack available in the cafeteria at the end of the day. Stop by the cafeteria as you leave today and grab a snack to go.

Attention all students who drive to school: You should not be going to your car during the 10 minute wellness breaks between classes. The breaks are intended for you to be outside and to get a break from wearing your mask. Students found going to their car will be subject to discipline.

As we begin to settle into a routine it really is crucial that we continue to follow the rules and guidelines set in the county and state's road map for being able to attend school. I am so proud of everyone for wearing their masks, keeping their hands washed and socially distancing especially in the cafeteria and lunch rooms, but we must do better when we are outside.

Going outside is a huge part of staying healthy. Yes, you get to take off the mask and shake it out and get a break, but we are not being as observant as we should be with our social distancing while we are outside. WE want you all to remain healthy and part of that is minimizing personal contact. We need to stop crowding when we come back into the building, jumping on each other during lunch break, grabbing items from one another, borrowing things? These are just irresponsible behaviors right now and we need your help in restraining yourselves from those types of things. Being here is a huge privilege. It is only possible by every person here doing their part. So many people are doing so much every day to keep you safe and to make this possible and you are doing a great job so far, but we can always do better. Ask any of my ex-students and athletes and they'll tell you, "you've got to have GOALS." My goal is to keep you all safe and our school open, but I need you to help me, it should be all our goal. So keep up the great work everyone, know that we will be here because of you even when they didn't think we could do it. Here we are so don't let up, we got this! As always know that we are happy you are here, proud to be going through this with you and love you all. Have a great week CHS!
