

Accessing Campus Network Facilities Policy

Policy Source: Campus Technology

Type: Policy and Procedure

Handbook: Student,, Employee Handbook and Institutional Policies

Purpose and Scope

This policy applies to all on campus housing, including Barbara Marshall Residence Hall and the KCAI Studio Apartments, as well as all other campus areas, detailing the provision of both wired and wireless network connections by Campus Technology (CT).

Policy Details

Campus Technology (CT) provides active wired and wireless network connections to all Barbara Marshall Residence Hall rooms and other campus areas. Residents in the KCAI Studio Apartments will have wireless access. CT also offers documentation for Barbara Marshall Residence Hall students on how to set up their devices for internet access. All campus lab computers come with full access to internet resources, including digital file storage through Google Drive.
