

Activity List #1: Let's Make Winter Sports More Accessible

Directions: Check off the activities below as you complete them in the *Status* column. When you are presented with a choice, circle the activity you would like to complete.

Duration	Type	Title/Description	Status 
ELA — Getting Started			
10 min	Required (individual or partner)	Read “Eight of the World’s Coolest Indoor Snow Parks” and jot down in your planning journal any ideas you gleaned about indoor snow parks vs. outdoor mountains.	
8 min	Choose 1 (individual or partner)	Read “The First Indoor Snow Park in North America Is Opening in December in NJ” .	
		Watch the video of NJ 12 at the opening of Big SNOW at American Dreams .	
10 min	Required (partner)	Find a classmate and take turns sharing what you learned through your reading or viewing. When you’re done sharing, add to the L (What I Have <u>L</u> earned) column of your K-W-L chart .	
Math — Proportional Relationships and Slope			
10 min	Required (individual)	Watch this video on Graphing Proportional Relationships: Unit Rate . Add to your journal the definitions of proportional and unit rate.	
15 min	Choose 1 (individual)	Complete Rate of Change: Graphs to practice graphing proportional relationships with unit rate.	
		Complete Graph Proportional Relationships and Find the Slope to practice graphing proportional relationships with unit rate/slope.	
5 min	Required (partner)	Find a classmate. Each of you will share the similarities between slope and unit rate. Add to your math journal.
