

**Fonts** - We would like a little bit cleaner look, I think that was the reason for the Poppins as Headings, merriweather as the body copy

**Header** - for both church and school - Should be good once we get to development  
Thicken the header in length - a bit .. not a lot

### **Footer**

For School - S.M. icons - give blue outline around gold circle

For Church - S.M. Icons - keep white and blue

### **Directory Page**

- Needs Job titles - i.e. 2nd Grade Teacher
  - Can we offer a link in the preview box to direct to teacher pages?
- Hover to receive phone # and email address
- Sub Cat. for positions
- Single pages for some staff

All Yellow backgrounds should have dark copy on it... - No white copy on yellow background

### **Church**

**Contact Page** - needs a photo of church building or altar?

Stack contact, phone and mailing address info vert. Flush left and add an image to the right

**“Basic” RCIA Page** - circle quick links vertically, top right space for image or video interchangeable

**Worship Page** - Add sub categories - should follow the channel bar format

Is there two pictures - 1 sky, 1 sand? Or are these the same image ?

Only use one image at the top, get rid of bottom image.

Is the center info area is not screened ?

**Devotional Page** - lighten the screen to actually see image in background ??

### **School Homepage**

Top Channel Bar - Screen White - Copy blue and logo blue

Calendar - “full calendar box” - add rounded corners

Yellow lines under blue bars a bit larger .. remove the top yellow bar above icon bar at top

Use rounded corners for all button/link bars

**Contact Page** - needs a photo of church building or altar?

Stack contact info vert. - add an image

**Mission Hybrid page** - yellow background color needs to be blue, with yellow bar below - Like homepage

- Image screened is really hard to see???

**Mission copy page** - image in background???

**Inclusion page** - do we have control over the image in top right, and can we change the size of image/video ? and the blue bars with links???

Get rid of bottom image.
