

Yearband Led Dress Up Days

Instead of class organised bake sales to foster the sense of class community and raise funds for each yearband, we have a new, fun class fundraising idea!

Starting next **Friday 14th October**, and taking place throughout the school year, our yearbands will take turns to choose what the WHOLE SCHOOL will wear for one day only!

Year 6 representatives have the first choice - they have decided that on Friday 14th October, everyone should come to school **wearing pyjamas**, bringing their **favourite bedtime story**, and be ready to **DROP EVERYTHING and LOOK at or READ a BOOK**.

(Children will need to listen out for a tannoy message or two during the school day!)

we suggest they wear trainers on this day

Please consider sending in a voluntary donation of \$20 to be handed in at the desk near reception on the day. Funds raised will be pooled for Year 6 to enjoy a mindful art activity AND purchase something for their classrooms.

Year 5 will choose what everyone wears in November - (and will benefit from the funds raised then....) stay tuned!

(Years 1 -4 will have their choice in terms 2 and 3!)
