Sports Premium Spend 2025-26

Key Priorities and Planning				
Action	**Impact**	**Key Indicator**	**Sustainability**	**Cost**
To redesign the school playground to ensure quality equipment and playground markings are available to support a range of physical opportunities.	Supports staff to engage the children in different physical opportunities. Provides further sporting opportunities for the children at play times and lunchtimes. Develops children as lunchtime leaders	2 & 4 - Children will use the equipment and engage in sports they may not have tried.	Children will develop new skills and enjoyment over a range of sports.	£12,058.64
To ensure high-quality resources and subscriptions to support teaching and learning.	Supports staff in delivering PE across the school.	1 & 3 - Staff will be given further CPD linked to the subscription to improve subject knowledge resulting in improved standards of teaching across the school.	Staff and children will benefit over time due to a more consistent approach and delivery of PE.	£2031.36
To provide transport for swimming lessons	Provides adequate travel to swimming centre	2 & 3 - Will allow for all children to access swimming	All children to gain proficiency in swimming up to, and beyond, 25m, by the end of key stage two	£5250
			Total Projected Spend	£19,380
			Actual Spend	£19,380

Review of Key Achievements 2024/25		
Activity/Action	**Impact**	**Comments**
To ensure the school playground is well-resourced with quality equipment to support a range of physical opportunities.	Children had access to new equipment which resulted with children engaging in a range of physical activities during break times.	Consider further pupil voice to gauge what equipment could add value to the playground. Potential larger spend on playground redesign.
To broaden sporting experiences outside of school	Year 4 cultural champions and Year 6 children explored a range of physical challenges at Phasels Wood during their residential trip.	Looking at and running some team sports across the school would broaden the children's experience. Look at how to raise engagement in the after school sports clubs.
To provide transport for swimming lessons	All children who went swimming improved in water confidence and were able to swim a distance.	Look at other year groups that also need work on improving their swimming skill to ensure more children pass by the time they reach Year 6.

Swimming Data 2025/26	
Question	**Stats:**
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	33%
What percentage of your current Year 6 cohort can use a range of strokes	33%

effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	28%
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	28%
If your school's swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes
