CFMS Board Elections

General Content

The following are all things you can consider including depending on what you want your platform to look like/portray or what you are able to include:

- Who you are such as your personal values and background
- Your past experiences and why they are relevant
- Why we should vote for you/what you offer that no one else does
- Your consultation process
- Your goals for the position
- SMART Platform points (Specific, Measurable, Achievable, Realistic, Time-Oriented)
- And more!

NOTE: You can do whatever you like within the confines of the rules (ie word count), these are just some suggestions to help you get started

You need to balance between the quantity of platform points/content vs. detail of descriptions/points. Don't include anything you won't do. Platforms are your mandate when you get elected and are your promises to students.
