

- KIMERA'S MAETOBER 2025 - PUBLIC BRAINSTORMING FOR IDEAS / KEY WORDS -

Last year's doc worked pretty well so here it is again! If you have any idea for a NITW fanart you'd like to see in the next Maetober you can write it down here, I promise I'll check every of them!

***** This year I already have a topic, and it's... A BUCKET LIST!! :D So if you have any idea, could be crazy or not, for Mae's bucket list this is your chance to see it come to life!**

Rules to participate in the doc:

- Obviously only Night in the Woods themes and characters will be considered as potential ideas
- If you haven't played the game you can still suggest key words, they're always useful! (I can make fanart out of almost everything lmao)
- No NSFW themed ideas pls
- Write your @user first and then the idea or key word (You can also stay anonymous if you'd like)
- Don't mess with the doc
- Don't mess with Kimera or you'll get a Kickmera (jk but pls don't mess with the doc)

Examples:

- @AlfaKimera: BUCKET LIST IDEA: "Jump over a fire pit and survive"
- @Alfakimera: DRAWING IDEA: "Mae jumps over a fire pit while the rest of the gang encourages her"
- @AlfaKimera: KEY WORD: "Fire"

(You don't have to write the three kind of examples, even only one is enough :3 but the more the better!!)

Have funsies!! (And stay hydrated!) <3
