- Recently William Anderson met up with his old friend Weird-Al at his concert. During their talk Will asked Al if he would like to give a shout out to all of his MLP/Bronies fans.

And so Weird-Al said hi to his fans and also said that he might be on the show.

Bioware Gives Statement on Pony Post

- <http://www.equestriadaily.com/2012/08/bioware-says-ponies-here-to-stay.html>
- Last week we reported that The Mass Effect FaceBook Page posted a picture of

“Commander Pinkie Pie”.

They were a lot of mix reaction towards the post, some of them being positive too right out negative.

In the flowing days, Bioware gave a statement to that FaceBook Post, and here are some parts of the statements from Bioware:

- “Some fans felt compelled to “unlike” our page, while others even went as far as to post their intention to “sell all their Mass Effect games.”.
- At BioWare, we think of our fans as our extended family, and as within any family, there are bound to be times when we won’t always see eye-to-eye.
- We support our community’s desire to be creative and share with us. We try to showcase as many of them as we can, and hope that the community will find it all as fascinating as we do.
- Remember, it’s your feedback that helps to shape the community, but you’re always going to catch more flies with honey than vinegar. Be good to one another.
