

Acorns

Children may engage in some of the following play experiences.

Spark: The children have been noticing it getting darker earlier.

Focus: Sky Photography

The children will be taking photos every hour of the sky to investigate the changes that take place through the day.

They will be discussing the changes and looking for patterns in their photos.

Spark: The children have been enjoying a Joe Wicks Dinosaur themed exercise video.

Focus: Dinosaurs

The children will be playing with dinosaur toys and reading books to help identify and compare dinosaur species.

Spark: The children have been enjoying singing songs in the nursery.

Focus: BookBug

The children will be taking part in songs and nursery rhymes through the Bookbug programme .

Spark: The children have been singing nursery rhymes.

Focus: Nursery Rhyme Puppets

The children will be making lollipop stick puppets of nursery rhyme characters.

Spark: A rocket called Artemis 1 was launched last week.

Focus: Planet Me!

Children will be exploring videos, books and pictures to learn about space. The children will also be using their imagination to create their own planets based on their personality and interests.

Spark: The children have been playing musical games on the promethean board.

Focus: Music Making

Children will be making music with ukuleles, a keyboard and drums. They will be playing together and enjoying the sensory experience of expressing themselves musically.
