

Privacy Policy

This Privacy Policy applies to the "Sudoku and Puzzle King" application (referred to as "Application") developed by B. Kostov (referred to as "Service Provider") as ad-supported services. The Application is provided as is for users.

Effective Date: October 28, 2024

1. Information Collection and Use

To provide a personalised experience, the Application requires users to log in using Google OAuth. Through this login process, we may collect and store the following information:

- **Username**
- **Email address**
- **Profile information (such as family name, given name, and profile photo)**
- **ID Token**

This information allows us to authenticate your identity, customise your user experience, and save your progress in the Application. The collected data is stored securely and used only as needed to enable core features, provide support, and enhance the Application.

The Application does not collect any precise location data from your device.

2. Third-Party Access

The Application may periodically transmit anonymized data to third-party services for analytics, advertising, and service improvement. The Service Provider may also share information with trusted third-party providers under the following conditions:

- Google Play Services
- AdMob
- Firebase

These providers have their own privacy policies, which we encourage you to review:

- Google Play Services
- AdMob
- Firebase

The Service Provider may disclose user-provided and automatically collected information as required by law, to enforce legal rights, protect the safety of users or others, investigate fraud, or as otherwise outlined in this privacy policy.

3. Opt-Out Rights

You can stop all data collection by the Application at any time by uninstalling it. Use your device's standard uninstall process, which may be available through your device settings or app store.

4. Data Retention

The Service Provider retains user-provided data for as long as you use the Application and for a reasonable period thereafter. If you wish to delete data you have provided, contact us at gamingwithbujo@gmail.com, and we will respond within a reasonable timeframe.

5. Children's Privacy

The Application is not intended for children under the age of 13, and the Service Provider does not knowingly collect data from children under this age. If we discover that a child under 13 has provided personal information, it will be promptly deleted. If you believe a child has provided us with personal data, please contact us at gamingwithbujo@gmail.com.

6. Security

We are committed to securing your data and use various physical, electronic, and procedural safeguards to protect the information we process and maintain. However, no security measures are completely foolproof, and we cannot guarantee absolute security.

7. Changes to this Privacy Policy

This Privacy Policy may be updated periodically. Any changes will be posted on this page, and we encourage you to review it regularly. By continuing to use the Application, you consent to any updates to this policy.

8. Contact Us

For questions or concerns about this Privacy Policy or our practices, please contact us at gamingwithbujo@gmail.com.

Your Consent

By using the Application, you agree to the terms outlined in this Privacy Policy.
