Highlights of the Week

Returning Favorites

Starting September 15, *Call the Midwife Season 14* returns viewers to the East End in London in the late 1950s, the setting of all the events in the series, and the plights and victories of nurse-midwives in the heart of a city that varies with the times. *S.W.A.T. Season 8* is also premiering, after Hondo and his elite tactical team engage in high-stakes operations around Los Angeles. *Nashville seasons 1-6* will be available to complete the day and give Nashville a binge-watch worthy of exploring the drama of country music.

New Originals & Thrillers

The *Ba**ds of Bollywood* opens on September 18, and narrates the story of an outsider, Aasmaan Singh, and how he gets ahead in the cruel film industry with the support of ambition and his family. Other premieres are the crime-thriller limited series *Black Rabbit*, which features [Jude Law](#) and [Jason Bateman](#) and is about a nightclub owner who reunites with his long-lost brother and gets sucked into the underbelly. Bringing the week to an end,

the 19th of September features *Haunted Hotel*, *She Said Maybe*, *Cobweb*, and the documentary [*Billionaires Bunker*](#).
