Website:

- Need to update website pictures. Nick to get from new board members

General Lake Comm:

- Idea is to make a FB group for the lake that is private and allows (within reason) anyone to post. Kaia volunteered to set this up.

Board Meetings:

- Proposal is to have the next one virtually. Will try this.
- Could also have annual meetings this way in Winter.

Corn Feed:

- Plan is to pay for a portable toilet again for this. Was well received last time. This will be in late August when corn is ready.

Membership

- Last year we had 82, we are at about 70 or so now.
- Idea around creating a “welcome to the lake” packet with info about the association, lake maps, contact info, etc. Lori, Nick and Scott to form a sub-committee to form a proposal.

Next Meeting will be in July via zoom.
