Privacy Policy – Pen Knockout

Last updated: 17 October 2026

This Privacy Policy explains how **Bharangar Games** (“we”, “us”) handles information when you play **Pen Knockout** (the “Game”) on Android.

1. Who we are

Developer: Bharangar Games, India
Contact: team.bharangar@gmail.com
Website: https://bharangar.com

2. Information we collect

a) Information you give us

- **Player name:** the name you choose in the Game. It is shown to your opponent in online matches.
- We do **not** ask for your real name, email, phone number, contacts, photos or precise location.

b) Information stored on your device

- Game progress (coins, level, unlocked pens and desks, settings) and your ad-consent choice are saved **only on your device**. Uninstalling the Game deletes them.

c) Information collected automatically by third-party services

- **Google Firebase Analytics (Google LLC):** app usage events (for example match started or finished, level reached, ad shown), app instance ID, device model, OS version, language, country (approximate, based on IP address) and Advertising ID. We use this only to understand how the Game is played and to improve it.
- **Unity LevelPlay and Unity Ads (Unity Technologies):** to show ads. These services may collect your Advertising ID, IP address, device information and how you interact with ads.
- **Epic Online Services (Epic Games, Inc.):** for online multiplayer. When you play online, an anonymous ID linked to your device is created (no Epic account or login needed). Your player name, level and match data are shared with the opponent you are matched with, and basic session data (play session start and end) is processed by Epic to run the service.

3. Ads and your choices

- The Game is free and shows ads (a full-screen ad after a finished match).
- On first launch we ask whether you allow **personalised ads**. If you decline, you still see ads, but they are not based on your interests. You can change this anytime in **Settings → Privacy & ad choices**.
- You can also reset or delete your Advertising ID in your Android settings (Settings → Google → Ads, or Settings → Privacy → Ads).
- We block ads rated 17+ in our ad settings.

4. How we use information

- To run the Game and online matches
- To show ads and measure them
- To understand gameplay and fix problems
- We **do not sell** your personal information.

5. Sharing

We share information only with the service providers listed above, so they can provide their services, or if the law requires it. Their privacy policies:

- Google Firebase: https://firebase.google.com/support/privacy
- Unity (LevelPlay and Unity Ads): https://unity.com/legal/game-player-and-app-user-privacy-policy
- Epic Online Services: https://dev.epicgames.com/en-US/services/terms/agreements

6. Data security and retention

Data is sent over encrypted connections (HTTPS/TLS). Analytics data is kept by Google according to Firebase's retention settings. Data on your device stays until you uninstall the Game.

7. Children

The Game is **not directed at children under 13**, and we do not knowingly collect personal information from children under 13. If you believe a child has given us information, contact us and we will delete it.

8. Your rights and deleting your data

You can ask us to access or delete data linked to your device by emailing **team.bharangar@gmail.com** (please include "Pen Knockout" in the subject). You can also stop all collection by uninstalling the Game.

9. Changes to this policy

We may update this policy. The new version will be posted at this same link, with a new “Last updated” date.
