

Summer Theatre 2025

Summer Arts Stages Drama Camp

Disney's Pinocchio

We are once again going to offer Summer Theatre with WIN-E-MAC. Andrew Hanson is leading this, and is excited for a wonderful week of fun with Summer Arts Stages staff.

Dates - August 4th - 8th

Time - 10:00am - 3:00pm

Location - On the stage in the Arts and Events Center @ WIN-E-MAC public schools

Ages - 3rd - 9th grade (corrected to entering these grades)

When is the Performance - August 8th @ 7pm in the Arts and events center @ WIN-E-MAC school.

Lunch - Will be at noon all week. If your Child has specific dietary needs I would pack a cold lunch. Mr. Hanson has also mentioned that their school provides free lunches to students in the summer so your actor/actress is also invited to forgo the packed lunch and join the other students with a free lunch from

the cafeteria. (please encourage a big “thank you” to staff as that’s a wonderful program)

Cost - Due to a grant, they are graciously only charging non WIN-E-MAC students \$10 which you can pay on the first day at the front desk.

Remember - Kids who enroll are expected to be there the entire week for the entire time. It will be very difficult for your child to be successful if they’re unable to attend rehearsals. There will be auditions for parts, but there is no preparation needed.

Please select the “theatre” button on the registration form if you are interested. Thank you!
