

College Comp II
Mr. Reynolds
SGTCIY Ch. 3

Directions: As you read Ch. 3, "Passion is Dangerous," take notes using the SketchNotes methods (basically doodling your notes on the chapter).

[Here is an overview](#) of the basics of "sketchnoting."

Illustrate/doodle these things - 1- The key ideas. 2 - key people who are introduced, 3- connections to Outliers or anything else we've studied, and 4- your reactions. So make sure you illustrate those four things in your sketchnote. Don't worry, I'll be doing this right along with you.

Be as creative as you want!!!

Here is one I did this summer on pages 25-55 of *The Dip*. I included some more examples below that.
