

**TITLE WRITTEN IN CAPITAL LETTERS, BOLD, TIMES NEW ROMAN,
FONT SIZE 14, MAXIMUM CONSISTED OF 15 WORDS**

Authors written without academic degree

Wrote affiliation with name of study program/major,
Name of faculty, name of university, name of province
e-mail address of the corresponding author

ABSTRACT

Abstract explains about general information of the research being conducted, which consisted of objective, method, result, discussion, and conclusion. **Objective:** The objective of the study is written briefly. **Methods:** In this chapter, write the research design that is used, the approach that is used. Explain the sampling process with the methods and techniques. How many respondents/research participants. Write the period of data retrieval. Write the data analysis techniques that are used. **Results:** Write the research results briefly and clearly. **Discussion:** Write the research discussion briefly and clearly. **Conclusion:** Write the research conclusions in brief and clear. The number of words in the abstract is a maximum of 250 words.

Keywords: Type the keywords a maximum of 5 words separated by commas.

BACKGROUND

The manuscript was written in English. In the background, the author's argument must be written about the reasons that the study being conducted is important, the research problem, and the purpose of the research. Reference writing uses the APA (American Psychological Association) style system.

METHODS

Methods explains about research design, research location, time of data collection, population and sample, inclusion and exclusion criteria, sample size calculation, instruments, how data was collected and analyze, and about ethical clearance.

RESULTS

In the results part, write the finding without discussing about it.

Table 1. Table is displayed in one column.

	Variables	Frequency	Percentages
A	A. 1	...	...
	A. 2	...	...
B	B. 1	...	...
	B. 2	...	...
...	...	...	...
	...	...	...

Number of tables should be referred in the manuscript.
